#### **Education and Professional Background**

My name is Munah Mulbah a mother of four children and two stepsons (ages 29yrs to 13yrs), a wife, a full-time employee, and the oldest of 7 children. These are the responsibilities and I take pleasure in doing them I am originally from Monrovia, Liberia, West Africa. I came to the United State, due to the civil war in my country to pursue a better education for my family and a better life. As a child growing up I loved to care for my siblings and dream about becoming a Nurse one day Growing up as the oldest girl in my family I took care of my younger siblings', neighbor kids, my grandparents and children in Sunday school, we were taught how to be respectful, eating a healthy diet, hand washing, personal hygiene where taught. and I was good at that., One day my Late grandfather look at me and said I hope you will be a nurse when you grow up and I said that is who I want to be, and I worked towards that.

After I graduated from high school. I enrolled at the mother pattern college of health sciences / Stella Maris Polytechnic 1999 and graduated with an AA degree in nursing, worked for a year in the hospital and went back to school and obtained my BSN. Prior to my coming to the United States, I obtained my BSN degree and worked for the Medicine sans frontiers international hospital / Doctors without borders for 2yrs. When I came to the united states, while going through the process to obtain my RN license, I worked as a nurse tech in the Nursing home, work with people with mental disabilities, in the hospital, and volunteer in a local school, which was rewarding, because it also helps me in preparing for my state board exam. I have certification in, CPR, First Aid, advanced cardiac life support (ACLS), and electrocardiogram (ECG) interpretation and Intravenous line certification. As a Registered nurse, I have worked in a long-term setting, geriatric population, and presently in the acute care and telemetry unit as a resource nurse. Arriving in the united states, my dream became a reality when I passed my state board exam and became to practice as a registered nurse and I have since enjoyed my career. Every day was rewarding I learned new things and saw how diverse nursing was.
