The Poor and the Perfect Neslihan Senocak,2012-05-01 One of the enduring ironies of medieval history is the fact that a group of Italian lay penitents begging in sackcloths led by a man who called himself simple and ignorant turned in a short time into a very popular and respectable order featuring cardinals and university professors among its ranks Within a century of its foundation the Order of Friars Minor could claim hundreds of permanent houses schools and libraries across Europe indeed alongside the Dominicans they attracted the best minds and produced many outstanding scholars who were at the forefront of Western philosophical and religious thought In **The Poor and the Perfect** Neslihan enocak provides a grand narrative of this fascinating story in which the quintessential Franciscan virtue of simplicity gradually lost its place to learning while studying came to be considered an integral part of evangelical perfection Not surprisingly turmoil accompanied this rise of learning in Francis s order enocak shows how a constant emphasis on humility was unable to prevent the creation within the Order of a culture that increasingly saw education as a means to acquire prestige and domination The damage to the diversity and equality among the early Franciscan community proved to be irreparable But the consequences of this transformation went far beyond the Order it contributed to a paradigm shift in the relationship between the clergy and the schools and eventually led to the association of learning with sanctity in the medieval world As enocak demonstrates this episode of Franciscan history is a microhistory of the rise of learning in the West

Learning From Buddha H.H. Dorje Chang Buddha III,2020-09-04 This book Learning from Buddha is a Dharma that H H Dorje Chang Buddha III openly imparted in Miami Florida for disciples who accompanied Him on that trip It is also a most important Dharma treasure that all Buddhist disciples must study and put into practice in order to attain accomplishment and liberation When this Dharma was being imparted a gigantic leaf of a Western bodhi tree fell from the air in front of all who were there That occurrence added a holy miracle to this Dharma treasure
