Watts,2012-11-16 At 35 years old Kelly and Paul Watts sold their home and quit their jobs to sail around the world without
any sailing experience Two days after purchasing their forty two foot sloop they got caught in a forty knot gale off the coast
of Cape Fear NC Their sails ripped the engine overheated the GPS broke they suffered hypothermia and severe seasickness
And yet they persevered on their journey discovering the playful sea lions of the Galapagos the seductive dance of the
Polynesian girls and the primitive beat of Tuvaluan music all while learning how to sail and repair their boat They narrowly
avoided a shark attack in Suwarrow fled from suspected pirates off the coast of Ecuador and hit a submerged container the
fear of all sailors near Midway Island What started as a search to find meaning to life without children only strengthened
their desire to have a family After fertility attempts failed in America and New Zealand they unexpectedly adopted a two
month old baby in Kiribati And so began the adventure of raising a baby on a boat in the middle of the Pacific battling
Dengue Fever and an epidemic of e coli almost losing their lives in a 60 knot westerly gale and navigating through the maze
of international adoption paperwork Told from Kelly s conversational point of view *Sailing to Jessica* will inspire anyone who
is searching for meaning in their life to get up and find it **The Work Boat** ,1983 **Boating** ,1997-01 **Yachting**
