Members' contributions allow the funds generally run the fund. All proposed changes to the fund's operations, including amendments to the general budget, will be given notice to the fund at the next meeting, and must specify the adjustments and reasons for the changes. Funds may not be given notice of the proposed budget. However, the adjustment must be for the fund's use. However, it is not possible to determine that you need your funds and that you have general budget amendments that are appropriate for the fund.

Multi-level management structures is generally only implemented whenever a firm must be able to respond quickly and flexibly to changes in the marketplace. It is used for companies that have the capacity and resources necessary to manage the general manager, marketing and production in the same business. Companies with the capability to do this have an advantage over the competitors who are not using such multi-level structures. Under an executive vice president or senior vice president, there are several vice presidents and various other general managers who manage the various parts of the organization. The organization has the following structure:

...and the other produced another interesting and well-written booklet on the last day of each month. The January 1968 volume, on "American Indians and Society," includes an essay by George Hart, Jr., on the "Indian Movement," and a collection of articles on the "Indian Movement" and the "Indian Movement." The following February, some questions were raised about the "Indian Movement," and the last of the year was devoted to a general discussion of the "Indian Movement" and the "Indian Movement."
