Romano Garlic Rosemary Bread Machine Recipe:

Great Bread Machine Baking Marlene Brown, 1999

The Complete Modern Pantry America's Test

Kitchen, 2022-11-15 Busy home cooks can create exciting meals straight from the pantry with this unique cookbook from America's Test Kitchen. Cook more, shop less, and improvise like a pro with over 350 recipes and tricks for making the most of ingredients you already have on hand. Flexibility should be in every cook's arsenal; sometimes you can't always get to the supermarket. This invaluable cooking resource from America's Test Kitchen shows cooks how to make use of their pantry by thinking in categories. The recipe is the blueprint you focus on: what the ingredients do, not just what they are. Visualize a dish starting with what's in your pantry, fridge, or freezer. Then substitute, swap, and combine to build the meal up. Bulk and bases: grains, beans, and other starchy foods are a solid foundation. Long storage vegetables use up staples like potatoes and garlic, even frozen veggies. Proteins: items like eggs, tinned fish, tofu, and cured meat anchor the meal. Toppings: creamy and rich or crispy, crunchy, and chewy; these always transform a dish. Acidic and pickled foods brighten everything up. Umami flavor enhancing condiments and seasonings add depth to food. Hot and smoky elements, spices, chiles, and sauces enliven your meal. Sweet and tart flavorings balance out anything that's salty, bitter, sour, or hot. DIY Pantry items make your own blends and toppings. Whether you're a home cook who wants to get more creative or are budget- and waste-conscious or even just

pressed for time on a weeknight, America's Test Kitchen will show you how to improvise with confidence. **The Complete America's Test Kitchen TV Show Cookbook 2001-2023** America's Test Kitchen, 2022-10-04 1,800 foolproof recipes from 23 years of the hit America's Test Kitchen TV show captured in one volume.
