The Role of the Economic Community of West African States in Counterinsurgency and Conflict Resolution Muhammed Touray,2025-04-16 From 1991 to 2002 the Sierra Leone government and the Revolutionary United Front waged war against each other subjecting Sierra Leone to a civil war This war devastated the nation and resulted in many human casualties Although many researchers have investigated the role of the Economic Community of West African States ECOWAS in counterinsurgency and conflict resolutions few studies have been conducted on the specific role of strategic processing tools used by ECOWAS during the Sierra Leone war to sustain a durable peace resolution in the country Using Galula s conceptualization of counterinsurgency and conflict resolution work of 1964 as a guide for the purpose of this qualitative study likewise I used an explanatory case study to determine the elements that made the strategic processing tools effective during the civil war Data was collected through interviews with some Sierra Leoneans that experienced the conflict academic sources publicly available documents and authentic mass media reports related to the Sierra Leone civil war Nonetheless the phenomenon or pretext of conflict is intricate Therefore it is both paradoxical and essential to examine conflicts through the lens of misconceptions and false beliefs that can result in dispute propaganda violence insurgency or war Consequently all parties involved in the conflict must engage in counterinsurgency and conflict resolution initiatives to establish common understanding and reach agreeable solutions for sustainable peace both locally and globally Read for more **American Samoa** American Samoan Commission,1931 **Army and Navy Journal** ,1927 **Catalog of Copyright Entries.
