IEPs for ELs John J. Hoover,James R. Patton,2017-03-22 Develop and monitor high quality IEPs for diverse learners High quality IEPs are fundamental for guiding the educational process of and developing goals for students who require special education services English learners ELs and other students with learning emotional or behavioral disabilities present unique challenges to educators responsible for referring assessing and placing them IEPs for ELs provides educators with numerous research based strategies and examples of how to write effective IEPs for these K 12 learners John J Hoover and James Patton leading professionals in the areas of special education and linguistic diversity share their research and how they have supported ELs who have or are suspected of having learning and intellectual disabilities Readers will find Practical guidance for developing and monitoring culturally and linguistically responsive IEPs Checklists guides and other reproducibles that support IEP development Case studies and vignettes highlighting examples of appropriate IEPs for diverse learners Filled with expert practical advice that covers the IEP process and walks the reader through the procedure for creating high quality IEPs that take individual differences into account this guide is essential for special educators and bilingual EL specialists A major strength for this book is its unique tie to English learners while providing a dual focus on IEP writing This is a great tool to use when training new special education teachers and IEP facilitators There are direct connections to writing legally defensible plans with a user friendly focus on IEP writing I see this book as a tool to support teachers and students in ensuring that language and cultural considerations are included when developing and updating individual plans Renee Bernhardt Supervisor Special Education Cherokee County School District GA

Development of Individualized Education Programs (IEPs) for the Handicapped in Vocational Education Lorella A. McKinney,Donna M. Seay,1979 *High Leverage Practices for Intensive Interventions* James McLeskey,Lawrence Maheady,Bonnie Billingsley,Mary T. Brownell,Timothy J. Lewis,Sheila Alber-Morgan,2023-06-01 High

Leverage Practices for Intensive Interventions provides special education teachers with descriptions and practical instructions on how to use High Leverage Practices HLPs to improve student outcomes Since many students with disabilities spend their school day in inclusive general education classrooms these intensive interventions are often delivered in separate or tier 3 settings to meet the students individualized needs Each chapter focuses on a specific High Leverage Practice with explanations of its purpose and essential components accompanied by examples for use with small groups of students or the individual student This accessible and comprehensive guide is key for pre service teachers in special education programs or those who provide intensive interventions with students Quality Instruction and Intervention for Elementary Educators

Brittany L. Hott,Pamela Williamson,2024-10-02 Effective teaching starts with quality instruction that most students respond well to However about 35% of students will require specialized and more intensive instruction to meet academic and behavioral standards Both students with exceptionalities who are eligible to receive special education and related services and students who are placed at risk due to circumstance require deserve and are legally entitled to quality intervention Quality Instruction and Intervention for Elementary Educators offers an accessible resource for educators interested in evidence based strategies to ensure all students have access to an excellent education Two dedicated chapters authored by leading content and strategy experts in the field are devoted to content areas The first chapter focuses on quality instruction with academic subject matter specialists as lead authors with interventionists supporting The second chapter focuses on effective intervention with the interventionists taking the lead author roles and academic subject matter specialists supporting Between the two chapters is a dialogue between the teams of authors bridging instruction and intervention This unique approach bridges the gap between quality instruction and effective intervention an often overlooked component of teacher education The book also includes dedicated chapters on the integration of instructional technology and executive functioning After reading the book educators will be able to describe the components of effective instruction and intervention in each of the content areas access empirically validated materials and locate resources for continued learning **Teaching**
