

HS&E TEST

Health, safety and environment test For operatives and specialists

The CITB Health, safety and environment test forms a key part of the requirement to obtain a construction industry scheme card. The test continues to be a vital tool in helping the industry to improve its health, safety and environmental standards.

This revision book contains everything you need to know to book, prepare for and sit the Health, safety and environment test for operatives and specialists, including all of the content covered in the test through:

- questions and answers
- statements of information about health, safety and environment topics.

If you are preparing for the operative test there are five core knowledge sections to revise:

- | | | |
|---|--|--|
|  Working environment |  Safety |  Specialist |
|  Occupational health |  High risk activities | |

There are specialist tests, supported by their own additional specialist activity questions, in the following areas:

- | | |
|-----------------------------|--|
| ● supervisory | ● tunnelling |
| ● demolition | ● heating, ventilation, air conditioning and refrigeration (HVACR) |
| ● highway works | ● plumbing (IIB) |
| ● specialist work at height | |
| ● lifts and escalators | |

You can revise using a number of digital products including an app, revision DVD and download. All of these products offer the chance to work through the whole question bank, watch the *Setting out* film and complete simulated tests.

Separate publications support the Health, safety and environment test for managers and professionals, so please ensure that you are revising for the right test.
