Oracle Case Management Solutions Léon Smiers, Manas Deb, Joop Koster, Prasen Palvankar, 2015-10-28 Organizations increasingly need to deal with unstructured processes that traditional business process management BPM suites are not designed to deal with High risk yet high value loan origination or credit approvals police investigations and healthcare patient treatment are just a few examples of areas where a level of uncertainty makes outc

Revolutions and Revelations in Computability Ulrich Berger, Johanna N. Y. Franklin, Florin Manea, Arno Pauly, 2022-06-25 This book constitutes the proceedings of the 18th Conference on Computability in Europe CiE 2022 in Swansea UK in July 2022 The 19 full papers together with 7 invited papers presented in this volume were carefully reviewed and selected from 41 submissions The motto of CiE 2022 was Revolutions and revelations in computability This alludes to the revolutionary developments we have seen in computability theory starting with Turing's and Gödel's discoveries of the uncomputable and the unprovable and continuing to the present day with the advent of new computational paradigms such as quantum computing and bio computing which have dramatically changed our view of computability and revealed new insights into the multifarious nature of computation

Emerging Challenges for Security, Privacy and Trust Dimitris Gritzalis, Javier Lopez, 2009-07-10 It was an honor and a privilege to chair the 24th IFIP International Information Security Conference SEC 2009 a 24 year old event that has become a tradition for information security professionals around the world SEC 2009 was organized by the Technical Committee 11 TC 11 of IFIP and took place in Pafos Cyprus during May 18 20 2009 It is an indication of good fortune for a Chair to serve a conference that takes place in a country with the natural beauty of Cyprus an island where the hospitality and friendliness of the people have been going together hand in hand with its long history This volume contains the papers selected for presentation at SEC 2009 In response to the call for papers 176 papers were submitted to the conference All of them were evaluated on the basis of their novelty and technical quality and reviewed by at least two members of the

conference Program Committee Of the papers submitted 39 were selected for presentation at the conference the acceptance rate was as low as 22% thus making the conference a highly competitive forum It is the commitment of several people that makes international conferences possible That also holds true for SEC 2009 The list of people who volunteered their time and energy to help is really long **Computerworld** ,1998-07-06 For more than 40 years Computerworld has been the leading source of technology news and information for IT influencers worldwide Computerworld's award winning Web site Computerworld.com twice monthly publication focused conference series and custom research form the hub of the world's largest global IT media network *Computerworld* ,1993-05-31 For more than 40 years Computerworld has been the leading source of technology news and information for IT influencers worldwide Computerworld's award winning Web site Computerworld.com twice monthly publication focused conference series and custom research form the hub of the world's largest global IT media network **Supplementary Catalogue of the Public Library of New South Wales, Sydney, Reference Department** Public Library of New South Wales.
