Contributions to Periodicals Library of Congress. Copyright Office, 1968 *Peacemaking and Peacebuilding in South Africa* Liz Carmichael, 2022 It is now 30 years since the National Peace Accord NPA was signed in South Africa bringing to an end the violent struggle of the Apartheid era and signalling the transition to democracy Signed by the ANC Alliance the Government the Inkatha Freedom Party and a wide range of other political and labour organizations on 14 September 1991 the parties agreed in the NPA on the common goal of a united non racial democratic South Africa and provided practical means for moving towards this end codes of conduct for political organizations and for the police the creation of national regional and local peace structures for conflict resolution the investigation and prevention of violence peace monitoring socio economic reconstruction and peacebuilding This book written by one of those involved in the process that evolved provides for the first time an assessment and in depth account of this key phase of South Africa's history The National Peace Campaign set up under the NPA mobilized the silent majority and gave peace an unprecedented grassroots identity and legitimacy The author describes the formulation of the NPA by political representatives with Church and business facilitators which ended the political impasse constituted South Africa's first experience of multi party negotiations and made it possible for the constitutional talks Codesa to start She examines the work of the Goldstone Commission which prefigured the TRC as well as the role of international observers from the UN EU Commonwealth and OAU Exploring the work of the peace structures set up to implement the Accord the National Peace Committee and Secretariat the 11 Regional Peace Committees and 263 Local Peace Committees and over 18 000 peace monitors Carmichael provides a uniquely detailed assessment of the NPA the on the ground peacebuilding work and the essential involvement of the people at its heart Filling a significant gap in modern history this book will be essential reading for scholars students and others interested in South Africa's post Apartheid history as well as government agencies and NGOs involved in peacemaking globally **Introduction to Peace and Conflict Studies** Lois Edmund, 2021-05-21 This book integrates research and theoretical findings from multiple

disciplines to present a holistic approach to conflict resolution It highlights the wide ranging and compelling relevance of Conflict Resolution Studies by exploring the entire spectrum of applications in interpersonal relationships family and group functioning and national and international relations **Christian Peacemaking & International Conflict** Duane K. Friesen,1986 Duane K Friesen suggests ways Christians can interpret and respond to international conflict He draws on both theological and social scientific literature to suggest that living in a more peaceful world is no utopian dream but a realistic alternative **The Literary Guide and Rationalist Review** ,1914 **A Question of Being** Karin Holsinger Sherman,2007-07-20 James Douglass s writings have been recognized as among the most challenging and inspiring explorations of nonviolence and Christian discipleship in the last century Throughout his career Douglass has argued forcefully for the integration of contemplation and resistance theology and cultural critique spirituality and prophetic involvement His work has inspired many of the key figures in recent debates regarding just war Christian nonviolence and radical discipleship and continues to be highly relevant in our contemporary situation In *A Question of Being* the first book length treatment published on Douglass s writings Karin Holsinger Sherman provides an introduction to and engagement with this important body of work through an exploration into its contextual history influences and main themes Moreover the author argues that these themes work together to create an ontology of nonviolence an ontology that integrates the forces of resistance and contemplation so important to Douglass The book begins by examining Douglass s biography and three broad historical trajectories that give context to his thought the fusion of Christianity and American nationalism in the early Cold War period the emergence of cultural critique in the late fifties and early sixties and the Catholic pacifist tradition and the post 1972 period of disillusionment Holsinger Sherman then considers the lives and thought of Dorothy Day Mahatma Gandhi and Thomas Merton as well as their unique intellectual and exemplary influence on Douglass s ideas After explicating the themes of the cross and the kingdom as they developed chronologically in Douglass s writing career this book draws together Douglass s thought to reveal an ontology of nonviolence In her conclusion Holsinger Sherman argues that this ontology of nonviolence is the key to understanding Douglass s integral theology of contemplation and resistance **The British Friend** ,1851 **From Suffering to Solidarity** Andrew P Klager,2016-04-28 As experiences of suffering continue to influence the responses of identity groups in the midst of violent conflict a way to harness their narratives stories memories and myths in transformative and non violent ways is needed *From Suffering to Solidarity* explores the historical seeds of Mennonite peacebuilding approaches and their application in violent conflicts around the world The authors in this book first draw out the experiences of Anabaptists and Mennonites from the sixteenth century originsthrough to the present that have shaped their approaches to conflict transformation and inspired new generations of Mennonites to engage in relief development and peacebuilding to alleviate the suffering of others whose experiences today reflect those of their ancestors Authors then explore the various peacebuilding approaches methods and initiatives that have emerged from this Mennonite

narrative and its preservation and dissemination in subsequent generations Finally the book examines how this combined historical sensitivity and resulting peacebuilding theory and practice have been applied in violent conflicts around the world noting both successes and challenges Ultimately From Suffering to Solidarity attempts to answer a question How can a robust historical infrastructure be used to inspire empathetic solidarity with the Other and shape nonviolent ways of transforming conflict to thrust a stick in the spokes of the cycle of violence *Books for Africa* ,1943 The American Scene ,1964

The Two Churches Michael L. Budde,1992 Budde contends that world Catholicism led by its Third World majority most notably in Latin America will continue to develop in an increasingly anticapitalist direction and he suggests that once dominant First World Catholic churches exemplified by the U S Catholic church are poorly placed to respond in solidarity with their coreligionists from the Third World Covering a wide range of theoretical and substantive matters The Two Churches examines religion as a source of both social legitimation and social rebellion It demonstrates the importance of ecclesiology a branch of theology dealing with theories of the church and it highlights the effect of capitalism on world Catholicism as well as the latter s influence on the development of the capitalist order **John O'London's Weekly** ,1919
