Public Transport Passengers' Behavioural Intentions Sik Sumaedi, I Gede Mahatma Yuda Bakti, Nidya Judhi Astrini, Tri Rakhmawati, Tri Widiyanti, Medi Yarmen, 2014-01-22 This book is based on the behavioural intention of public transport passengers and the relationship between those factors in Indonesia The conceptual model in this book explains behavioural intentions of paratransit passengers which can result in recommendations to unravel the complexity of the congestion problem from consumer behaviour perspective Based on the results of survey research on behavioural intention of public transport users in Jabodetabek Indonesia the result of the study is presented in a model that describes the factors that influence This book is recommended for academics who wish to gain knowledge about the phenomenon of consumer behaviour for regulators whose duty is to make a decision and determine the strategic steps to overcome congestion and researchers who want to develop their knowledge and provide solutions related to congestion from the perspective of consumer behaviour

Wake Up, Lazarus! Volume II Pierre Hegy, 2013-06 This book presents research in three new areas Sunday liturgies homilies and pastoral concepts First it presents to the readers the major Latin American document Disciples and Missionaries of Jesus Christ which sets the course of the Church in Latin America for the next decade Next I present the findings about the Sunday liturgies in 100 churches 50 in Guatemala and 50 the U S The following chapter analyzes 100 Sunday homilies in comparison to lay talks homilies by Fr Robert Barron and evangelical sermons In one more chapter I discuss basic concepts for pastoral research Chapter 6 discusses the consequences of papal centralization for church renewal The last chapter outlines ten basic paths of renewal What is new in this book is the research on Sunday liturgies homilies and pastoral concepts

Sampling for Analytical Purposes Pierre Gy, 1998-06-29 Dr Gy a pioneer in every sense of the word has spent 50 years studying the best way to take a truly representative sample His greatest achievement perhaps has been to introduce science into the black art of sampling The now famous and widely used formula bearing his name means that sampling is no longer a lottery but an essential analytical tool This very readable and practical book written by Pierre Gy himself is the first simple guide to Pierre Gy's method to be translated into English Although Dr Gy's formula was originally developed for the sampling of solid material in mines etc the theoretical arguments are equally valid for the sampling of liquids and multi phase media This book is as interesting as a historical perspective as it is useful for the practising modern day analyst

Worship as Community Drama Pierre Hegy, 2019-03-22 Church weddings funerals and most Sunday services reflect the values and dramas of their communities even when the ministers are the main or sole actors This point is illustrated by examples ranging from American television masses to the Zairean three hour services in the Congo Of greatest interest to readers might be the Sunday services at ordinary parishes which also range from friendly but uninspiring to innovative and inviting There are also two exceptionally vital churches analyzed here an evangelical church in the Pentecostal tradition and a social justice parish in the tradition of Martin Luther King Jr Today one can hardly buy an item in

a store or on the Internet without being asked for an evaluation yet church services are seldom evaluated There can be no improvement without evaluation This book proposes a method of evaluation in eight steps that must be rigorously scientific and at the same time offer a vision for spiritual growth The prophet Elijah found God in earthquakes and fire but most people find mystery through art music rhythm chanting expressive readings evocative rituals and enlightened homilies Today people expect mystagogy rather than routine performances Mystagogy can be learned and improved through evaluation to which this book desires to make a major contribution
