

Jim Campbell
Co-Chairman, Never Forgotten Honor Flight, Inc.

Dear Sir:

Please accept this check in memory of Ned and Arlett Nehring long time residents of Marion, Wisconsin. They were recently killed in a car accident. Ned was a very proud Army Air Force veteran and his wife was most active in the auxiliary. My wife and I would like to give this fifty dollars in memory of these two wonderful people. As far as we know their closest family member, a daughter, lives in Shawano. Her name is Charlene Helms. She is the wife of Harold Helms.

If you wish to let them know someone sent a donation to help defray costs of an Honor Flight in memory of her mother and father that would be fine. You don't have to tell them who the donation came from. We do not feel that is necessary. Both our parents were also WWII veterans and what Honor Flight does is truly remarkable. Thank you for your time and effort on the part of all the WWII vets.

Most respectfully,

Mary and Fred Kovach

Finding Freedom Emily Mofield, Tamra Stambaugh, 2021-09-09 Finding Freedom invites students to follow America's journey toward finding freedom by examining multiple perspectives, conflicts, ideas, and challenges through seminal historical texts. This unit developed by Vanderbilt University's Programs for Talented Youth and aligned to the Common Core State Standards (CCSS) features close readings of some of the most famous American political speeches from notable Americans, presidents, and minority voices. To sharpen historical thinking, students analyze arguments for freedom, examine dissenting perspectives, and reason through multiple viewpoints of historical issues through debates and interactive activities. To develop advanced literacy skills, students evaluate effective rhetorical appeals, claims, supporting evidence, and techniques that advance arguments. Students synthesize their learning by comparing speeches to each other, relating texts to contemporary issues of today, and making interdisciplinary connections. Lessons include close readings with text-dependent questions, choice-based differentiated products, rubrics, formative assessments, social studies content connections, and ELA tasks that require argument and explanatory writing. Ideal for pre-AP and honors courses, the unit features speeches from Patrick Henry, Frederick Douglass, Carrie Chapman Catt, and Presidents Franklin D. Roosevelt, Lincoln, Kennedy, Johnson, George W. Bush, Obama, and others. O'Sullivan,Laurie Shepard,2013 The question of what medieval courtliness was both as a literary influence and as a historical reality is debated in this volume The concept of courtliness forms the theme of this collection of essays Focused on works written in the Francophone world between the twelfth and fifteenth centuries they examine courtliness as both an historical privilege and aliterary ideal and as a concept that operated on and was informed by complex social and economic realities Several essays reveal how courtliness is subject to satire or is the subject of exhortation in works intended for noblemen and women not to mention ambitious bourgeois Others more strictly literary in their focus explore the witty thoughtful and innovative responses of writers engaged in the conscious process of elevating the new vernacular culture through the articulation of its complexities and contradictions The volume as a whole uniting philosophical theoretical philological and cultural approaches demonstrates that medieval courtliness is an ideal that fascinates us to this day It is thus a fitting tribute to the scholarship of Matilda Tomaryn Bruckner in its exploration of the prrofound and wide ranging ideas that define her contribution to the field DANIEL E O SULLIVAN is Associate Professor of French at the University of Mississippi LAURIE SHEPHARD is Associate Professor of Italian at Boston College in Chestnut Hill Massachusetts Contributors Peter Haidu Donald Maddox Michel Andr Bossy Kristin Burr Joan Tasker Grimbert David Hult Virgine Greene Logan Whalen Evelyn Birge Vitz Elizabeth W Poe Daniel E O Sullivan William Schenck Nadia Margolis Laine Doggett E Jane Burns Nancy FreemanRegalado Laurie Shephard Sarah White *Fourth Estate* ,1919 **Letters** ,1936
