Confidential Material

NAME: Sebastian Smith
DATE OF BIRTH: 5/8/1985
CHRONOLOGICAL AGE: 16 years 3 months
PARENTS: Mary Smith & Sebastian Smith
GRADE: completed ninth grade

DATES OF ASSESSMENT: 7/17; 7/27/01
DATE OF REPORT: 8/3/01

IDENTIFYING DATA AND REASON FOR REFERRAL:

Sebastian is a 16 years 3 months old Caucasian adolescent, who was referred for a psychological evaluation to determine his current cognitive and emotional status. Sebastian has a long history of poor school performance due to numerous. Despite extensive private tutoring and accommodations from his school he has failed to succeed academically. The contributing factors include poor school attendance, possible attending and learning problems, and complex family dynamics.

SOURCES OF INFORMATION:

Background information was obtained from his mother, his previous social worker, former psychologist, and numerous psychological, educational and medical reports. This information was obtained from interview, developmental history and rating scales as well as medical records. This information appears to be from reliable sources and valid.

Current status of his learning and behavior was obtained from observation during testing and from standardized psychological, neuropsychological and achievement tests. The validity of his performance on most tests was deemed to be accurate due to his cooperation and motivation to perform the tests.

BACKGROUND INFORMATION:

Current Concern:

Sebastian has long struggled with his academic performance and proper social behavior. His relationship with both parents is complex and he often is torn between both. His ability to maintain motivation in his schoolwork is of concern and recommendations will be made with these factors in mind. The most pressing concern at this time is his use of illegal substances (marijuana).

Medical and Development History:

Pregnancy and birth history: Sebastian's mother reported that she was 29 and his father was 31 at the time of his birth. There were no complications of pregnancy or

The Perversion of Youth Frank C. DiCataldo, 2009-06 Over the past two decades concern about adolescent sex offenders has grown at an astonishing pace garnering heated coverage in the media and providing fodder for television shows like Law Order Americans reaction to such stories has prompted the unquestioned application to adolescents of harsh legal and clinical intervention strategies designed for serious adult offenders with little attention being paid to the psychological maturity of the offender Many strategies being used today to deal with juvenile sex offenders and even to define what criteria to use in defining juvenile sex offender do not have empirical support and Frank C DiCataldo cautions may be doing more harm to children and society than good The Perversion of Youth critiques the current system and its methods for treating and categorizing juveniles and calls for a major reevaluation of how these cases should be managed in the future Through an analysis of the history of the problem and an empirical review of the literature including specific cases and their outcomes DiCataldo demonstrates that current practices are based more on our collective fears and moral passions than on any supportive science or sound policy
