

NURSING RESTORATIVE PROGRAMS

The Patient-Driven Payment Model (PDPM) is the Medicare payment rule for skilled nursing facilities.

Restorative programs are interventions that enable nursing home residents to reach their highest level of functional abilities to encourage independence and to prevent functional decline.

Restorative programs can be started on admission and at any time when a resident needs assistance with something and has a goal or the potential to maintain or improve function.

Both nurses and therapists are able to set up restorative programs when appropriate. However, it is the nurses that are responsible for monitoring and documentation of progress toward goals. Evaluation or resident participation and progress should be documented by nurses at least weekly.

To be successful and to qualify as a restorative program for MDS purposes, a program must include:

- Determine which restorative program would be appropriate for the individual resident
- Update careplan and orders for completion by aides and assessment by nurses
- Measurable and objective goals
- Evidence of periodic evaluation by licensed nurse
- Supervision by a licensed nurse to ensure completion of at least 15 minutes a day
- Daily charting of completed time by nurses and aides
-

Restorative plans as indicated on the MDS include the following:

- **Ambulation/Walking**
 - Walking with or without assistive devices
- **Amputation and Prosthetic Care**
 - Putting on, removing, and caring for prosthesis; hygiene and care for amputation site
- **Bathing and Washing**
- **Bed Mobility**
 - Moving to and from a lying position, scooting up or down, turning side to side, positioning self in bed
- **Brace and Splint Assistance**
 - Guidance and directions for application and care or scheduled program or application and removal. Splints and braces may include the following: AFO, arm sling, CAM boot, cast shoe, cervical collar, leg/knee immobilizer, lumbar support brace, palm guards hand split, resting hand splint, TLSO, etc.
- **Communication**
 - Functional skills or assisting resident in using skills or adaptive devices
- **Dressing and Undressing**
- **Eating and/or Swallowing**
 - Feeding oneself or activities to improve or maintain residents ingestion and hydration
- **Grooming**
 - Personal hygiene tasks
- **Range of Motion (Active or Passive)**
 - Maintain flexibility, useful motion, and strength in the joints of the body
- **Toileting Program**
- **Transfers**
 - Moving between surfaces or planes either with or without assistance devices

Sample Restorative Nursing Program Goals Introduction

In today's digital age, the availability of Sample Restorative Nursing Program Goals books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sample Restorative Nursing Program Goals books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sample Restorative Nursing Program Goals books and manuals for download is the cost-saving aspect. Traditional books and

manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sample Restorative Nursing Program Goals versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sample Restorative Nursing Program Goals books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sample Restorative Nursing Program Goals books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sample Restorative Nursing Program Goals books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sample Restorative Nursing Program Goals books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sample Restorative Nursing Program Goals books and manuals for download and embark on your journey of knowledge?
