

289. Write a letter to the community explaining the reasons for your action.

Write a letter explaining to those from whom you have taken all animals, including the goats and their young (kids). Explain how you contributed to providing a better source of food.

Remember, better people are rewarded in the general multiplication of animals in this way. You are helping the community. Please make it as simple as possible to make the food of today simple, but it is better to have a "simple" food. Explain how it is better to have a simple food.

290. Describe the other arguments against the general multiplication of animals in the community of your school.

291. List all the reasons of arguments for and against the general multiplication of animals in the community of your school.

Should animals also agree to disagree with this? Explain your answer.
