Pedagogical Psychology: Beyond the 21st Century

Gretchen M. Reeve, Stanley N. Bursten, 2015-07-22 Frontiers in Psychology is introducing a new research topic Pedagogical Psychology Beyond the 21st Century which will be released as an online journal issue in summer 2014 The purpose of Beyond the 21st Century will be to publish goal oriented articles leading to improvement of teaching and learning at all levels of psychology education Until perhaps 20 years ago educational approaches to teaching were largely informed by a Stand and Deliver pedagogical attitude The psychology of this approach has often invested unrealistic and unrealizable responsibilities in both teachers and students With the emergence of electronic data sharing e g the Internet and global cooperation competition newer approaches to teaching have begun to supplement and sometimes replace the older model of teaching These newer approaches have simultaneously taken advantage of technological advances global changes and an evolving understanding of successful student mentor relationships As the pedagogical models driven by these changes evolve into the 22nd century and beyond what seems groundbreaking today will in hindsight be seen as hidebound Thus the major goal of Beyond the 21st Century will be to publish manuscripts which imaginatively but realistically anticipate future trends in teaching undergraduate psychology Types of manuscripts which are appropriate for Pedagogical Psychology should be visionary yet empirically and or theoretically based We welcome manuscripts in all domains of pedagogical psychology with a special interest on topics that are new or expected to evolve rapidly Such innovative topics include but are not limited to

represent an endogenous source of oligodendrocytes that can be useful to treat demyelinating diseases This e Book The ventricular subventricular zone as a source of oligodendrocytes in the adult brain collected the most recent evidence regarding the mechanisms that modulate the proliferation migration quiescence cell fate choices and survival of oligodendrocyte precursors generated in the V SVZ Herein we compiled information about the role of Sonic hedgehog NMDA receptors ErbB proteins hemopressin erythropoietin osmolarity and microglia in the oligodendrocyte production Some chapters also describe the role of oligodendrocyte precursors in the preservation of cellular homeostasis aging and white matter repair All these information is presented as novel research findings short communications and review articles which were written by experts in the field of oligodendrocyte generation myelin production and white matter re myelination

House of Commons - Public Administration Select Committee: Truth to Power: How Civil Service Reform Can Succeed - HC 74 Great Britain: Parliament: House of Commons: Public Administration Select Committee,2013-09-06 The Public Administration Select Committee PASC has concluded a year long inquiry into the future of the Civil Service with only one recommendation that Parliament should establish a Joint Committee of both Houses to sit as a Commission on the future of the Civil Service It should be constituted within the next few months and report before the end of the Parliament with a comprehensive change programme for Whitehall with a timetable to be implemented over the lifetime of the next Parliament The Report considers the increased tensions between ministers and officials which have become widely reported and places the problems in Whitehall in a wider context of a Civil Service built on the Northcote Trevelyan settlement established in 1853 and the Haldane principles of ministerial accountability set out in 1919 The government s Civil Service Reform Plan lacks strategic coherence and clear leadership from a united team of ministers and officials The Northcote Trevelyan Civil Service remains the most effective way of supporting the democratically elected Government and future administrations in the UK Divided leadership and confused accountabilities in Whitehall have led to problems a low level of engagement amongst civil servants in some departments and agencies and a general lack of trust and openness the Civil Service exhibits the key characteristics of a failing organisation with the leadership are in denial about the scale of the challenge they face There is a persistent lack of key skills and capabilities across Whitehall and an unacceptably high level of churn of lead officials which is incompatible with good government **The Qualified Student** Harold S. Wechsler,2014-09-15 In The Qualified Student Harold S Wechsler focuses on methods of student selection used by institutions of higher education in the United States More specifically he discusses the way that college and university reformers employed those methods to introduce higher education into a broader cross section of America by extending access to an increased number of students from nontraditional backgrounds Implicit in much of this book is an underlying social and ethical question How legitimate was and is higher education s regulation of social mobility Public concern over colleges and universities practices became inevitable once they became regulators between social classes The challenging of colleges admissions policies in the courts

augments similar concerns that have been present in legislatures for decades The volume is divided into three main sections Prerequisites Columbia and the Selective Function and Implications It focuses mainly on four universities The University of Michigan Columbia University the University of Chicago and the City University of New York Wechsler maintains that unlike other universities these institutions were pacesetters they did not adopt a new policy simply because some other college had already adopted it A new introduction brings the book originally published in 1977 up to date and demonstrates its continuing importance in today s academic world of selective admissions
