# Reading Strategies: Making Connections

## Making Connections

Good readers relate what they read to other experiences and knowledge.

There are three types of connections:

- Text-to-Self -- connections between the text and the reader's life and experiences
- Text-to-Text -- connections between the text and other books, movies, songs, articles
- Text-to-World -- connections between the text and events in the real world and history

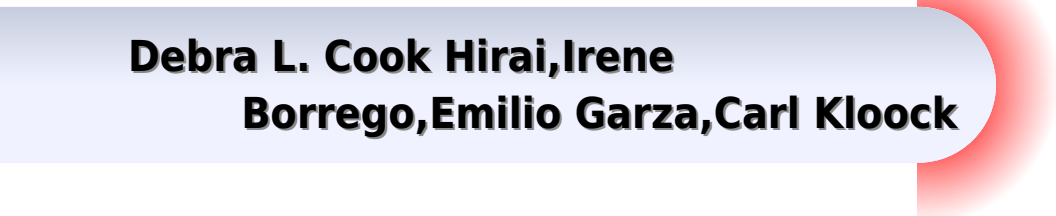

**Directions:** Record the connection you made while reading. Be sure to include the page or paragraph number.
