Reading The Bible With Understanding:

How to Read the Bible with Understanding Lane A. Burgland, 2016 From the Introduction Sometimes we hear people say that one person's interpretation is just as good as another's or that any individual's understanding of a Bible passage is valid for that person Our own experience should tell us that this is not true When we write a letter to someone we have a purpose in writing and want our reader to understand what we say We write as clearly as possible choosing the right words for our purpose so that our reader doesn't misunderstand us God does the same thing with the Bible Over a period of many centuries through a variety of human authors God has communicated His message He wants us to understand both the facts of the story and His purpose in writing See John 20:30-31 Reading the Bible with understanding means that we do not merely seek to understand the history of God's people or the story line of great literature We read the Bible to understand what God says to us With a pastoral heart Dr Lane A Burgland will lead you to a deeper understanding of God's life giving Word The book includes the following Seven enduring principles on how to interpret different kinds of Scripture Chapters on how to interpret different kinds of Scripture The story of how we got the Bible Counsel on how to teach a Bible study and a checklist to help you prepare A biblical chronology and a history of biblical interpretation Book jacket [How to Read the Bible for All Its Worth](#) Gordon D. How to Read the Bible and Understand It Daniel Hernandez,2018-09-16 Have you ever sat in church and heard a pastor read a few bible verses at the beginning of their sermon and then watch them spend the next 30 45 minutes teaching and preaching in depth on those same verses and ask yourself How did they get all that info and knowledge from just those few verses Would you like to be able to study God s word in the same way and learn how to get as much knowledge and understanding as you can from your Bible Have you ever read a verse section chapter or a whole book in the Bible and only understand very little or even nothing you ve just read Are you looking to grow more in your understanding of God s word in your personal life If you answered yes to any of those questions this book was written with you in mind The purpose of this book is to equip you with fundamental methods and principles to use when reading and studying your Bible So many Christians today unfortunately don t read or study their Bible as much as they may want to or should When they are asked Why don t you read your Bible as much as you want to they reply When I read it I get confused

and don't really understand what I'm reading. This book provides you with the proper methods to use that will help you understand God's word better during your reading and studying time. There are many great books out there from authors who have written extensively on this subject and many have done a great job in doing so, but not everyone has the time to read those three hundred plus page scholarly books. Plus, there may be one book that covers certain things on this subject while other books cover different aspects on this subject. Each section covered in this book was intentionally selected to help you get a full grasp of the basic fundamentals in reading and studying your Bible in an easy and practical way. You can read one chapter a day and finish this book in just 3 weeks, or you can read it much faster, but the purpose of this book is not just to read it but to take the time to reflect on what you have read and apply that to your personal Bible studying time. This book is designed to be a guide that encourages you to read your Bible regularly with excitement and expectations because now you have the basic tools to understand what you are reading better. You will learn guidelines set forth to help you properly understand the Bible. I will focus on five central features of understanding the Bible: What the Bible is all about, an overview, observing the text, observations, the context, literary, historical, cultural, and social, how to interpret the Bible, interpretation, and how to apply it to your life, application. To get the most out of this book, I would encourage you to read it in a chronological order. It has been intentionally structured to be read that way. This book will also teach you how to apply God's Word to your life. I trust and pray this book will become a useful resource to better equip you in understanding, interpreting, and applying God's word. My prayer is to encourage you to read and study your Bible more often and get understanding to apply it to your life so you can grow in your walk with Jesus. I also want to encourage you after reading it to challenge others that you know who would benefit from this book to get this book so as to help them better understand God's word too. This is a great book to get for those you are mentoring or discipling to read it along with them. My hope is to give you these basic tools that will enhance your knowledge and passion for God's word.

The Message Prayerful Reading Bible: Jeremiah & Lamentations
(Softcover, Blue) Eugene H. Peterson, 2021-09

Slow Down and Connect with God. The Bible in contemporary language is placed here alongside the ancient Christian practice of lectio divina or sacred reading. You'll enter the text of Scripture more fully than ever before and come out of each prayerful reading with a fresh encounter with our loving God, ready to live in the way of Jesus. A perfect resource for your devotional quiet time. This Old Testament Bible portion includes the complete books of Jeremiah and Lamentations. It introduces readers to the timeless practice of lectio divina and provides guided reflection. There is also ample space for journaling your observations, reflections, and prayers. Here are the steps of lectio divina to help you slow down and meet God. Stop. Take a moment to stop and prepare to encounter God. Read. Do a first reading and make observations of the text. Ponder. Read the text again and meditate on its meaning. Pray. Begin a conversation with God about this Scripture. Reflect. Take note of what this time with God has brought to the surface for you. Live. Consider how this time with God translates into our life with God.
