#RhodesMustFall B. Nyamnjoh,2016-04-18 This book on rights entitlements and citizenship in post apartheid South Africa shows how the playing field has not been as levelled as presumed by some and how racism and its benefits persist Through everyday interactions and experiences of university students and professors it explores the question of race in a context still plagued by remnants of apartheid inequality and perceptions of inferiority and inadequacy among the majority black population In education black voices and concerns go largely unheard as circles of privilege are continually regenerated and added onto a layered and deep history of cultivation of black pain These issues are examined against the backdrop of organised student protests sweeping through the countrys universities with a renewed clamour for transformation around a rallying cry of Black Lives Matter The nuanced complexity of this insightful analysis of the Rhodes Must Fall movement elicits compelling questions about the attractions and dangers of exclusionary articulations of belonging What could a grand imperialist like the stripling Uitlander or foreigner of yesteryear Sir Cecil John Rhodes possibly have in common with the present day nimble footed makwerekwere from Africa north of the Limpopo The answer Nyamnjoh suggests is to be found in how human mobility relentlessly tests the boundaries of citizenship

Physical Pharmaceuticals - II Dr. Matsyagiri Lenkalapally,Dr. Md Yusuf Ansar,Mr. Ravindar Rendla,Dr. Sree Giri Prasad Beri,Ms. Mahefuzabibi Mohammed Desai, Pharmaceuticals is a dynamic field that facilitates the integration of pharmaceutical sciences and pharmacy practice Physical Pharmaceuticals II is a prominent topic in this field that provides an in depth analysis of the physicochemical principles that guide the creation mixing and testing of pharmaceutical dosage forms The goal of this book is to give professionals researchers and students a thorough grasp of the complex principles guiding drug delivery systems and drug behavior in different physical states It is essential to comprehend the intricate relationships that exist between medications and the delivery systems they are delivered in the quickly evolving world of modern medicine In order to optimize drug formulations advanced themes such surface and interfacial phenomena rheology micromeritics and the physical stability of dosage forms are the focus of Physical Pharmaceuticals II The successful creation of stable safe and effective pharmaceutical products is predicated on these subjects The careful organization of this book will lead the reader through theoretical ideas as well as real world applications A unified learning experience that fosters critical thinking and problem solving abilities in the context of pharmaceutical sciences is created by the way each chapter builds upon the one before it Moreover readers are given practical insights into the difficulties faced by researchers and formulators in the pharmaceutical sector through the combination of case studies real world examples and research findings We anticipate that both professionals looking to

expand their understanding of formulation science and students pursuing postgraduate degrees in pharmaceuticals would find this work to be a useful resource We hope that this book will stimulate further research and creativity in the rapidly developing subject of pharmaceuticals which is a branch of pharmaceutical science We would like to extend our heartfelt appreciation to our mentors colleagues and students whose thoughtful comments and debates have made a substantial contribution to the development of this book We also thank all of the scientists and researchers whose groundbreaking work continues to influence physical pharmaceuticals

Mining Africa. Law, Environment, Society and Politics in Historical and Multidisciplinary Perspectives Artwell Nhemachena,V. Warikandwa,2017-05-01 This book is a pacesetter in matters of mining and the environment in Africa from multidisciplinary and spatio temporal perspectives The book approaches mining from the perspectives of law politics archaeology anthropology African studies geography human ecology sociology history economics and development It interrogates mining and environment from the perspectives of customary law as well as from the perspectives of Euro modern laws In this sense the book straddles precolonial colonial and postcolonial mining and environmental perspectives In all this it maintains a Pan Africanist perspective that also speaks to contemporary debates on African Renaissance and to the unity of Africa From scrutinising the lived realities of African miners who are often insensitively and unjustly addressed as illegal miners the book also interrogates transnational mining corporations matters of corporate social responsibility as well as matters of tax evasions by transnational corporations whose commitment to accountability to African governments is questioned With both theoretical chapters and chapter based on empirical studies on mining and the environment across the African continent the book provides a much needed holistic one stop shop for scholars activists researchers and policy makers who need a comprehensive treatise on African mining and the environment The book comes at the right time when matters of African mining and environment are increasingly coming to the fore in the light of discourses about the new 21st century scramble for African resources in which big transnational corporations and nations are jostling to suck Africa dry in their race to control planetary resources It is a book that speaks to contemporary broader issues of de coloniality and transformation of African minds and African environmental resources

Resistance to and Acquiescence in Apartheid Henry Mbaya,2018-09-11 This book documents the history of a major Provincial Anglican theological college in Grahamstown St Paul s Theological College that existed against the backdrop of colonialism and apartheid Mbaya fundamentally attempts to explore a narrative of certain socio economic cultural and political struggles Resistance to and Acquiescence in Apartheid contextualises the mission of the Church in theological education during a period of deeply rooted inequality Thus one is left to ask the question What missionary role did St Paul s College play in the context of apartheid

Traditional Leaders in a Democracy MISTRA MISTRA,2019-03-29 Post 1994 South Africa s traditional leaders have fought for recognition and positioned themselves as major players in the South African political landscape Yet their role in a democracy is contested with leaders often accused of abusing power disregarding human rights

expropriating resources and promoting tribalism Some argue that democracy and traditional leadership are irredeemably opposed and cannot co exist Meanwhile shifts in the political economy of the former bantustans the introduction of platinum mining in particular have attracted new interests and conflicts to these areas with chiefs often designated as custodians of community interests This edited volume explores how chieftancy is practised experienced and contested in contemporary South Africa It includes case studies of how those living under the authority of chiefs in a modern democracy negotiate or resist this authority in their respective areas Chapters in this book are organised around three major sites of contest leadership land and law **Inclusive Education in South African Further and Higher Education** Tsediso Michael

Makoelle,Cina P. Mosito,2025-05-26 A historical overview of the evolution of inclusive education alongside the emergence of concepts such as of equity and access highlighting how these ideas have evolved been enacted and practiced in the higher education institutions HEIs of South Africa since 2001 **Politics at a Distance from the State** Lucien van der Walt,Kirk

Helliker,2022-08-23 For decades most anti capitalist and anti imperialist movements identified radical transformation with capturing state power The collapse of these statist projects from the 1970s led to a global crisis of left and working class politics But crisis has also opened space for rediscovering alternative society centered anti capitalist modes of bottom up change operating at a distance from the state These have registered important successes in practice such as the Zapatistas in Mexico and Rojava in Syria They have been a key influence on movements from Occupy in United States to the landless in Latin America to anti austerity struggles in Europe and Asia to urban movements in Africa Their lineages include anarchism syndicalism autonomist Marxism philosophers like Alain Badiou and radical popular praxis This path breaking volume recovers this understanding of social transformation long side lined but now resurgent like a seed in the soil that keeps breaking through and growing It provides case studies with reference to South Africa and Zimbabwe and includes a dossier of key texts from a century of anarchists syndicalists insurgent unionists and anti apartheid activists in South Africa Originating in an African summit of radical academics struggle veterans and social movements the book includes a preface from John Holloway **Handbook on Teaching and Learning for Sustainable Development** Walter Filho Leal,Amanda

Lange Salvia,Fernanda Frankenberger,2021-06-25 Exploring the important role of education in both pursuing and implementing sustainable development this timely Handbook highlights how teaching methods at schools and universities can impact the future It looks at ways not only to inform students about matters related to sustainable development but also to empower them to adopt behaviours and actions that lead to more sustainable lifestyles **Natural Resource-Based Conflicts in Rural Zimbabwe** Joshua Matanzima,Patience Chadambuka,Kirk Helliker,2024-08-02 This book investigates the range of conflicts over land and other natural resources in contemporary Zimbabwe considering the different forms these conflicts take and the ensuing outcomes Zimbabwe is a country rich in natural resources including land wildlife minerals and water resources These resources are integral to the formal and informal livelihoods of most Zimbabweans as well as

supporting many key industries Wildlife land and water resources are also embedded in indigenous knowledge systems religious beliefs and rituals in many rural communities forming an important part of people s identity and sense of belonging However this book demonstrates the ways in which rural communities are being denied access to these resources and being displaced by extractive companies and the government Their response is often to turn to violence to try to reclaim their lands Drawing on original empirical research from different conflicts across Zimbabwe the book also considers the issue in the context of problems such as climate change human wildlife conflicts and politico economic crises This book will be useful to policy makers students conservationists and academics across the fields of sociology human geography development political science and environment studies

Apartheid and Fragmented Protest in Contemporary Southern Africa Cuthbeth Tagwirei,2025-09-26 Apartheid and Fragmented Protest in Contemporary Southern Africa examines protest movements through the lens of Apartheid Studies the first general theory of apartheid which explores how oppression harm injustice poverty loss and inequality persist The book argues that apartheid which breaks the world of the oppressed into fragments fomenting diverse experiences of oppression among its victims frames the nature and course of protests by making them subject to its fragmentation Protest is thus redefined as good neighbourly and demoted on account of its symbiotic relationship to apartheid It is observed that the proliferation of protests does not preclude the persistence of apartheid Rather protest and apartheid are seen to be compatible By examining protest hashtags on X from South Africa and Zimbabwe the book explores and identifies the forms relations meanings trajectories and effects protests take evoke and embody as fragments subsisting in a fractured apartheid universe It demonstrates how and why life goes on amidst protest sheds light on the contradictions paradoxes and complexities that characterise protest movements and invites conversations around protest as a paradigm in the context of apartheid The book will be of interest to researchers across the fields of social movements protests sociology African Studies and communication and media studies
