

Seventh Edition

CORRECTIONS

An Introduction

Richard P. Seiter

Richard P Seiter Book

JS Bruner

Richard P Seiter Book:

Corrections Richard P. Seiter, 2005 Presenting an overview of the entire correctional process this book provides readers with a practical understanding of today's operations of corrections It includes correctional history and theory yet concentrates on what we do in corrections why we do it and what challenges face contemporary correctional staff and administrators Unique integration of the author's practical experience with the theories and policies for correctional agencies demonstrates both the realities and reasons in carrying out correctional practices at the local state and federal levels A five part organization covers theories of crime how society responded to crime prior to the 18th Century the various elements of the correctional process operation perspectives regarding various categories of correctional clients and the challenges facing corrections now and in the future For individuals and taxpayers interested in today's criminal justice system and an understanding of how programs operate and how much they cost *Corrections* Seiter, 2004-07-01

Correctional Administration Richard P. Seiter, 2012 This second edition provides an authentic look at the field of correctional administration from its historical roots to the management of the correctional staff environment and facility Case studies experiential exercises and group assignments appear throughout and help students understand leadership theories and supervisory practices Publisher's website 1967, 1967, 1967, 1967, 1967, 1967 Corrections Richard P. Seiter, 2019-01-11 For introductory courses in corrections An insider's guide to corrections today *Corrections An Introduction* is a realistic practical account of modern corrections that draws on the author's three decades of service in the system While he addresses history and theory in each chapter Seiter focuses mainly on the actual operations of prisons community corrections and jails as well as contemporary challenges for correctional staff and administrators Case studies career information and real examples expose students to the realities of working in corrections The 6th edition has been updated with the most recent data on correctional populations and costs as well as new research and findings affecting correctional policy *Corrections An Introduction* 6th Edition is also available via Revel™ an interactive learning environment that enables students to read practice and study in one continuous experience **Revel for Corrections** Richard P Seiter, 2019-04-27 For introductory courses in corrections An insider's guide to corrections today Revel™ *Corrections An Introduction* is a realistic practical account of modern corrections that draws on the author's three decades of service in the system While he addresses history and theory in each chapter Seiter focuses mainly on the actual operations of prisons community corrections and jails as well as contemporary challenges for correctional staff and administrators Case studies career information and real examples expose students to the realities of working in corrections The 6th edition has been updated with the most recent data on correctional populations and costs as well as new research and findings affecting correctional policy Revel is Pearson's newest way of delivering our respected content Fully digital and highly engaging Revel replaces the textbook and gives students everything they need for the course Informed by extensive research on how people read think and learn Revel
