Comparative Analysis

Designed to meet the needs of the small office, the Ricoh Aficio 1515MF offers standard copy, print, scan and fax functionality. Featuring 192 MB of RAM that is shared between the copier and printer, this 15-page-per-minute (ppm) unit demonstrated outstanding image quality in all areas evaluated, very good overall print productivity and competitive copy productivity. The Aficio 1515MF's job stream efficiency was the highest of similarly equipped short- and long-edge feed models tested to date. In addition, the unit's print efficiency was among the highest for the group in simplex mode, and its copy efficiency was among the highest in 1:1 mode. The unit's first-print times were also among the fastest in the group for two of the four file types tested.

The Aficio 1515MF offers an exceptional price point that is among the lowest of competitive models available that may or may not include scanning as standard. Although the unit only accommodates paper sizes up to 8½" × 14", Ricoh also offers the Aficio 2015, which can accommodate paper sizes up to 11" × 17". The Aficio 1515MF also offers a low overall total cost of ownership (TCO), according to Ricoh. For instance, the unit offers a dual-component consumable design in which the toner, with a rated yield of 7,000 impressions, is housed separately from the developer, which has a rated yield of 45,000 impressions. As a result, the toner and developer can each be replaced as needed.
