regional histories influenced the patterns of population decline after European contact The essays also examine how social stratification and tribute systems shaped the demographics of indigenous communities This volume is the first of a planned series and while it presents detailed findings it also sets the stage for future research into other regions and time periods This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1971 **Essays in Population History: Mexico and the Caribbean** Sherburne Friend Cook, Woodrow Wilson Borah, 1971-01-01 [CliffsNotes AP World History Cram Plan](#) James Zucker, 2017-12 This new edition of CliffsNotes AP World History Cram Plan calendarizes a study plan for AP World History test takers depending on how much time they have left before they take the May exam
