Allow only persons who fully understand this manual to operate your blower.

To receive maximum performance and satisfaction from your STIHL blower, it is important that you read and understand and follow the maintenance and safety precautions in chapter "Safety Precautions and Working Techniques" before using your blower. For further information you can go to www.stihlusa.com.

Contact your STIHL dealer or the STIHL distributor for your area if you do not understand any of the instructions in this manual.

**Warning!**

Because a blower is a high-speed tool, some special safety precautions must be observed as with any other power tool to reduce the risk of personal injury. Careless or improper use may cause serious or even fatal injury. STIHL's philosophy is to continually improve all of its products. As a result, engineering changes and improvements may be made from time to time. If the operating characteristics or the appearance of your blower differs from those described in this manual, please contact your STIHL dealer for information and assistance.
