Policing America Kenneth Peak:

Policing America Kenneth J. Peak, William H. Sousa, 2019-08 Famed educator John Dewey advocated the learning by doing approach to education or problem based learning The tenth edition is written from start to finish with that philosophy in mind and is reflected in the book's subtitle Challenges and Best Practices And as with its eight predecessors this book benefits from the authors many years of combined practical and academic experience Its chapters contain a real world applied flavor not found in most policing textbooks and reflect the changing times in which we live and the tremendous challenges facing federal state and local agents and officers every day And like its eight preceding editions this edition continues to represent our best attempts to allow the reader to the fullest extent possible to vicariously experience carrying a law enforcement badge or wearing a police uniform by providing a highly practical comprehensive world view of the challenging occupation As shown above in the below New Topics section included are several beneficial additions in topics as well as changes in its organization and content
