National Institute of Education (U.S.), 1975 *Catalog of NIE Education Products*, 1978 **A Practical Guide to the
Science and Practice of Afterschool Programming** Joseph L. Mahoney, Gina Warner, 2015-01-12 Closing the gap between
scientific research on afterschool programming and the practices occurring in these settings is the goal of this volume Both
sources of knowledge are critical to developing the afterschool workforce's ability to provide high quality programming On
the one hand this means afterschool staff should not work with young people until they have been adequately prepared which
includes training in evidence based practices and properly supervised On the other hand it requires that scientists
understand and study those aspects of afterschool programming most relevant to the needs of practitioners This volume
includes perspectives from the afterschool workforce scientists who discuss the current research and the practitioners who
know how afterschool programs operate in practice This is the 144th volume of New Directions for Youth Development the
