Written with that same celebratory spirit and using the idea of culture and SOUL synonymously this book explores the ways in which integrating SOUL culture with contemplative practices can foster healing and restoration expanding our understanding of leadership and community interaction and impact. With years of experience in higher education and as a mentor and teacher living in Senegal the author stresses the importance of celebrating Black cultures including the role of ancestry community interdependence elder mentors and institutions such as HBCUs.

Heal Your Life Jean Maalouf, 2017-04-27 For our very survival and sanity we need God. We need virtue. We need character. The good person brings good things out of a good treasure and the evil person brings evil thing out of an evil treasure. Matthew 12:35. Godly people make all the difference in the world by striving to match the politics of the earth with the politics of the kingdom of God. By talking about uncovering the healing power of faith hope love and prayer this book uncovers at the same time the secret of sanity the sanity that runs our lives at the individual level as well as at the national and international levels. Sanity requires the rejection of the gods we've created by learning to focus on the God in whose image we've been created. Billions of dollars are spent every year on the pursuit of physical perfection. People do anything to become richer more powerful or more prestigious with improved appearances and more pleasing makeup in all domains as if the only value that really counts is the most attractive picture we are able to show. In this very expensive race for the outside perfect masks the pursuit of inner beauty can often be pushed aside when this inner beauty is by far more important than the outer beauty. Don't we know that the Lord does not see as mortals see they look on the outward appearance but the Lord looks on the heart. 1 Samuel 16:7. In this book *Heal Your Life: Awakening to the Power of Faith Hope Love Prayer* Dr Maalouf masterly invites us to reject the double lifestyle we are living and to genuinely consider living by the truth of the permeation and integration of theology and politics. Politics Pope Paul VI declared is the highest form of charity. And we can add that charity is the highest form of political sanity as well. Indeed real politics takes action and contemplation. All our crises are rooted in our spiritual crisis first. For our sanity and survival God is needed. For our sanity and survival the politics of the earth should match the politics of the kingdom of God as this book explains.

Ain't No Hurt Like a Church Hurt but God Can Heal the Wounds Evangelist Dr. Diane Hart, 2010-12-27 Have you ever been hurt in church Have you ever found yourself weeping and wailing to the Lord Why me Have you ever cried yourself to sleep while trying to pray because of church hurts Are church hurts real Can they possibly come via true saints of God Will they knock you to your knees YES to all of the above Over my 55 years in church I have been through it all the good the bad and the ugly All of the accounts in this book are first hand I have been at peoples deathbeds as they reminisced about being hurt by leaders or so called saints I know people who have given their last believing their leader was giving a word from the Lord yet they ended up losing in the end Whereas some of the most influential people have professed to be one thing in public behind the scenes they are another and it has caused hurt among Gods people I am sharing some of these hurts so that Gods people can know that even though there is hurt in church there is healing and you can move past it It will come only through the word of God
