Resisting Satan And His Deception:

Resisting Satan and His Deception Cary White, 2014-11-22 We as Christians need to get away from the teaching that Satan has no power or that he is a lion that has no claws and no teeth This is exactly what Satan would want you to believe Satan is a liar and the master of it he has deceived all of us at one time or another proof of this is the fact you came to Christ if he had never deceived us then we would have always been with Christ but this is not the case our eyes had to be opened and the message of the Gospel had to be received in order to bring us to the truth Satan has always been deceiving us he makes us believe some sins are not sins or that some truths are not really true He has so cleverly changed media to influence the minds of many He has brought up a new generations that has no understanding of how the family structure is what keeps nations together He has even made most of us Christians to gossip about other people s struggles so that we don t have to look at our own sin The worse thing Satan has done is change the very definition of sin so that some of us don t think we sin at all For example I know people who will attack Christians and gossip about them because they smoke cigarettes now I am not saying that cigarettes are of God but I can tell you one thing the scriptures states that gossip is an actual abomination to the Lord yes an abomination so here we are as representatives of Jesus Christ committing what the Word of God says is an abomination in order to bring negative attention to someone about something the scriptures say nothing about Oh my dear loved ones Satan is alive and well and he has mastered us as his puppets CHRISTIAN THEOLOGY Edward D.
