Service,2013 Managing Social Issues Peter Leisink,Paul Boselie,Dian Marie Hosking,Maarten van Bottenburg,2013-09-30 Western societies face complex social issues and a growing diversity of views on how these should be addressed The traditional view focuses on government and public policy but neglects the initiatives that non profit and private organizations and local **International Development and Local Faith Actors** Kathryn Kraft,Olivia J. Wilkinson,2020-03-17 This book explores the interplay and dialogue between faith communities and the humanitarian development community Faith and religion are key influencers of thought and practice in many communities around the world and development practitioners would not be able to change behaviours for improved health and social relations without the understanding and influence of those with authority in communities such as religious leaders Equally religious leaders feel responsibilities to their communities but do not necessarily have the technical knowledge and resources at hand to provide the information or services needed to promote the well being of all in their scope of influence The book demonstrates that partnerships between humanitarian development practitioners and religious communities can be mutually beneficial exchanges but that there are also frequently pitfalls along the way and opportunities for lessons to be learned by each party Delving into how humanitarians and faith communities engage with one another the book focuses on building knowledge about how they interact as peers with different yet complementary roles in community development The authors draw on the Channels of Hope methodology a tool which seeks to engage faith leaders in addressing social norms and enact social change as well as other related research in the sector to demonstrate the many ways in which humanitarian and development policy makers and practitioners could achieve more systematic engagement with faith groups This book is an important contribution to the growing body of literature on faith and development and will be useful both to researchers and to practitioners working with faith communities **Christianity: An Explorer's Guide** Marcus Braybrooke,2013-10-21 Christianity An Explorer's Guide offers a comprehensive and compassionate overview of Christianity pointing to a living experience of God's love in Jesus The book is an ideal survey for the enquirer and will give Christians a deeper understanding of their faith and the fascinating and varied history of the church The book describes the life changing experience of meeting Jesus It tells the Gospel story describes the history of the Church and outlines its beliefs The book also describes how in their spiritual and practical life followers of Jesus try to copy his example of loving service of others I am inspired by this brilliant book which will be invaluable to those who wish to know more about Whilst fascinated I never once felt I was being proselytised A tour de force Baroness Rabbi Julia Neuberger Marcus Braybrooke is an Anglican priest President of the World Congress of Faiths and prolific author *The Rough Guide to Iceland* David Leffman,James Proctor,2013-04-02 Iceland has never been so hot Let The Rough Guide to Iceland show you the very best this unspoilt country has to offer from the party capital Reykjavik with its white nights and northern lights to the vast glaciers of the uninhabited interior Come eye to eye with the giants of the sea on a whale watching tour or take a dip in the geothermal waters of the Blue Lagoon Iceland is Europe's most unusual
