Rocky Mountain Druggist ,1923 **Perinatal and Postpartum Mood Disorders** Susan Dowd Stone,Alexis E. Menken,2008-05-12 As a psychotherapist and educator of future mental health practitioners I believe this work fills an important gap in reference books for professionals who care for childbearing women Since the volume provides invaluable neurobiological research on depression and anxiety I recommend this work to all health and mental health professionals Illness Crisis and Loss Over the past three years pregnancy related mood disorders have become the focus of health care advocates and legislators alike with subsequent reflection in nationwide media Statistics on the prevalence of perinatal mood disorders suggest that up to 20% of women experience diagnosable pregnancy related mood disorders The growing recognition of these common disorders coupled with an increasing knowledge base about the dire consequences of untreated maternal depression has propelled this issue to the fore of national public health priorities This increasing awareness has also resulted in recent legislative and healthcare initiatives to screen assess and treat such disorders On April 13 2006 Governor Jon S Corzine D NJ signed a law requiring all new mothers to be educated and screened for postpartum depression This law is the first of its kind in the country but many states and federal advocates are proposing similar laws The motivation for states and the federal government to adopt education and screening program is high and may soon be a federal mandate But a major barrier to successful implementation of such programs is the lack of available resources to train healthcare professionals in this specialty This book offers a major resource for healthcare professionals mental health professionals and medical nursing psychology and social work students who will be confronting this problem in their practices The contributions by renowned experts fill a glaring gap in the knowledge professionals need in order to successfully manage maternal mental health **Nutraceuticals and Functional Foods in Human Health and Disease Prevention** Debasis Bagchi,Harry G. Preuss,Anand Swaroop,2015-10-15 Functional foods and nutraceuticals dietary supplements and natural antioxidants have established their potential roles in the protection of human health against disease Nutraceuticals and Functional Foods in Human Health and Disease Prevention examines the benefits efficacy and success of
