

Number

...or **NUMB**, for the correct order of operations, take care when using a calculator.

- Brackets
- Orders (or powers)
- Division and Multiplication
- Addition and Subtraction

Types of number

Integer: a 'whole' number
Factors: the divisors of an integer
• Factors of 12 are 1, 2, 3, 4, 6, 12
Multiples: a 'times table' for an integer (with infinite multiples)
• Multiples of 12 are 12, 24, 36, ...
Prime number: an integer which has exactly two factors (1 and the number itself). Note it is not a prime number.

Units

Highest Common Factor (HCF)
• Factors of 6 are 1, 2, 3, 6
Factors of 9 are 1, 3, 9
HCF of 6 and 9 is 3

Lowest Common Multiple (LCM)

• Multiples of 6 are 6, 12, 18, 24, ...
Multiples of 9 are 9, 18, 27, 36, ...
LCM of 6 and 9 is 18

Power notation

Write a number as a product of its prime factors, and follow for repeated factors.
• $120 = 2 \times 2 \times 2 \times 3 \times 5$

Indices and roots

Special indices for any value a
 $a^0 = 1$
 $a^{-1} = \frac{1}{a}$
 $a^{\frac{1}{2}} = \sqrt{a}$

Ordering with fractions

Adding or subtracting fractions, use a common denominator.
• $\frac{1}{2} + \frac{1}{3} = \frac{3}{6} + \frac{2}{6} = \frac{5}{6}$

Multiplying fractions

Multiplying fractions: multiply numerators and denominators.
• $\frac{1}{2} \times \frac{1}{3} = \frac{1 \times 1}{2 \times 3} = \frac{1}{6}$

Dividing fractions

Dividing fractions: 'flip' the second fraction, then multiply.
• $\frac{1}{2} \div \frac{1}{3} = \frac{1}{2} \times \frac{3}{1} = \frac{3}{2}$

Prime factorisation

Factorise an integer as a product of its prime factors.
• $12 = 2 \times 2 \times 3 = 2^2 \times 3$

Least common multiple

12	18	24	36	48	60
12	18	24	36	48	60

Algebra

Look for the biggest square number factor of the coefficient.
• $12x^2 = 4 \times 3 \times x^2 = 4x^2 \times 3x^2$

Standard form

Standard form numbers are of the form: $a \times 10^n$ where $1 \leq a < 10$ and n is an integer.

Scientific notation

1 metre = 1000 millimetres
1 kilometre = 1000 metres
1 metre = 100 centimetres
1000 millimetres = 1000 millimetres
1 centimetre = 10 millimetres

Time

1 day = 24 hours
1 hour = 60 minutes = 3600 seconds
1 minute = 60 seconds

Geometry

Transfer the number, then add or 'transfer' digits to round up or down. Round (up) to the next decimal point.
• 102.1541 to 1 dp: 102.2

Ordering

Find the range of numbers that will round to a given value.
• $x = 5.55$ (2 decimal places)
 $5.55 \leq x < 5.56$
• $x = 5.55$ (2 significant figures)
 $55 \leq x < 56$

Ordering

Note use of $\leq$ and $<$, and that the last significant figure of x is 5.
• $5.55 \leq x < 5.56$

Algebraic notation

$a^2 + a + 1$
 $2a + a + 1 = 3a + 1$
 $a^2 + a + 1 = a^2 + a + 1$
 $a^2 + a + 1 = a^2 + a + 1$
 $a^2 + a + 1 = a^2 + a + 1$

Algebraic notation

It is important to use the same particular value of a .
• $2a + 1 = 3$ then $a = 1$
• $2a + 1 = 3$ then $a = 1$

Algebraic notation

It is important to use the same particular value of a .
• $2a + 1 = 3$ then $a = 1$
• $2a + 1 = 3$ then $a = 1$

Algebraic notation

It is important to use the same particular value of a .
• $2a + 1 = 3$ then $a = 1$
• $2a + 1 = 3$ then $a = 1$

Algebraic notation

It is important to use the same particular value of a .
• $2a + 1 = 3$ then $a = 1$
• $2a + 1 = 3$ then $a = 1$

Geometry & measures

Area and volume

Equation of straight line $y = mx + c$ as in the graph, c is the y -intercept.
• Find the equation of the line that joins (0, 2) to (2, 1).
Find the gradient: $m = \frac{y_2 - y_1}{x_2 - x_1} = \frac{1 - 2}{2 - 0} = -\frac{1}{2}$
• $y = -\frac{1}{2}x + 2$

Area and volume

Pythagoras' Theorem: In a right-angled triangle, the square of the hypotenuse is equal to the sum of the squares of the other two sides.
• $a^2 + b^2 = c^2$

Area and volume

Area of triangle = $\frac{1}{2} \times \text{base} \times \text{height}$
Volume of cuboid = $\text{length} \times \text{width} \times \text{height}$

Area and volume

Area of triangle = $\frac{1}{2} \times \text{base} \times \text{height}$

Pixl Maths Predicted Paper Jan 2014

Rosina Ehmann

Pixl Maths Predicted Paper Jan 2014:

Unveiling the Energy of Verbal Beauty: An Emotional Sojourn through **Pixl Maths Predicted Paper Jan 2014**

In a world inundated with displays and the cacophony of fast interaction, the profound power and psychological resonance of verbal art frequently fade into obscurity, eclipsed by the constant barrage of sound and distractions. However, set within the lyrical pages of **Pixl Maths Predicted Paper Jan 2014**, a interesting perform of literary splendor that pulses with natural feelings, lies an remarkable trip waiting to be embarked upon. Composed by way of a virtuoso wordsmith, that mesmerizing opus instructions visitors on an emotional odyssey, gently revealing the latent potential and profound influence stuck within the complex web of language. Within the heart-wrenching expanse with this evocative evaluation, we can embark upon an introspective exploration of the book is main themes, dissect its captivating writing model, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.

Pixl Maths Predicted Paper Jan 2014 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Pixl Maths Predicted Paper Jan 2014 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Pixl Maths Predicted Paper Jan 2014 has opened up a world of possibilities. Downloading Pixl Maths Predicted Paper Jan 2014 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Pixl Maths Predicted Paper Jan 2014 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Pixl Maths Predicted Paper Jan 2014. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Pixl Maths Predicted Paper Jan 2014. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Pixl Maths Predicted Paper Jan 2014, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in

unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Pixl Maths Predicted Paper Jan 2014 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Pixl Maths Predicted Paper Jan 2014 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Pixl Maths Predicted Paper Jan 2014 is one of the best book in our library for free trial. We provide copy of Pixl Maths Predicted Paper Jan 2014 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Pixl Maths Predicted Paper Jan 2014. Where to download Pixl Maths Predicted Paper Jan 2014 online for free? Are you looking for Pixl Maths Predicted Paper Jan 2014 PDF? This is definitely going to save you time and cash in something you should think about.
