The Administrative Dental Assistant Linda J Gaylor, 2016-03-01 Prime yourself for a successful career in the modern dental office with The Administrative Dental Assistant 4th Edition As it walks through the functions of

today's dental business office you'll learn how to master critical thinking, effective communication, and common tasks such as scheduling patient records and insurance processing along the way. This new edition also boasts a variety of new features including expanded information on the electronic health record (EHR) and the paperless dental office, professional tips and insights, the most recent HIPAA and OSHA guidelines, important soft skills including Career Ready Practice exercises, and all the latest technology, equipment, and procedures in use today. Paired with its companion workbook and online learning tools, *The Administrative Dental Assistant* is the sure-fire way to keep you on top of this ever-changing profession. Comprehensive coverage provides everything you need to know to manage today's dental office. Approachable writing style presents what you need to know in a way that is easy to grasp regardless of your reading level or setting. Trusted author Linda Gaylor lends years of experience as a practicing dental assistant, instructor of dental assisting, and curriculum director. Procedure boxes provide step-by-step instructions on a wide variety of dental office duties. HIPAA boxes keep you well-versed in the key concepts and applications of the Health Insurance Portability and Accountability Act. Anatomy of images with annotated text breaks down common dental office equipment forms and administrative forms to further comprehension. What Would You Do boxes present common situations you may face in the work place. Patient file folder with examples of both electronic and paper clinical forms and records provides you with experience working with confidential documents. Art program showcases images of electronic and traditional paperwork, actual office equipment, and technology to help reinforce the text. Bolded vocabulary terms and glossary give you a foundation for effective office communication. Key points allow you to ensure that you have grasped key content before graduating to the next chapter. Dental office simulation tool on the Evolve companion website allows you to practice many of the typical office functions in a realistic virtual environment. Did You Know boxes feature snippets of helpful background information to context or rationales to office processes and procedures. Food for Thought boxes highlight key concepts and call readers' attention to various ways the concepts are used in everyday life. NEW Electronic content more comprehensively addresses the electronic health record (EHR) and the paperless dental office. NEW Emphasis on 21st-century job skills is seen throughout the book as chapters discuss the soft skills like work ethic, collaboration, professionalism, social responsibility, critical thinking, and problem solving that dental assistants must possess. NEW Career Ready Practice exercises are included at the end of each chapter, asking readers to recall and assimilate information learned within the chapter and demonstrate its application in the dental office. NEW Content updates include HIPAA changes, insurance updates including the new claim form, dental terminology overview, new hazard communication procedures, and more. NEW Additional artwork incorporates new images focused on technology in the dental office and new paperless ways to manage the day-to-day functions.
