Pollution In A Promised Land An Environmental History Of Israel

Tamar Novick

Pollution In A Promised Land An Environmental History Of Israel:

Pollution in a Promised Land Alon Tal, 2002-08-01 Virtually undeveloped one hundred years ago Israel the promised land of milk and honey is in ecological disarray In this gripping book Alon Tal provides for the first time ever a history of environmentalism in Israel interviewing hundreds of experts and activists who have made it their mission to keep the country's remarkable development sustainable amid a century of political and cultural turmoil The modern Zionist vision began as a quest to redeem a land that bore the cumulative effects of two thousand years of foreign domination and neglect Since then Israel has suffered from its success A tenfold increase in population and standard of living has polluted the air The deserts have bloomed but groundwater has become contaminated Urban sprawl threatens to pave over much of the country's breathtaking landscape Yet there is hope Tal's account considers the ecological and tactical lessons that emerge from dozens of cases of environmental mishaps from habitat loss to river reclamation *Pollution in a Promised Land* argues that the priorities and strategies of Israeli environmental advocates must address issues beyond traditional green agendas

An Environmental History of the UK Defence Estate, 1945 to the Present Marianna Dudley, 2012-05-03 A history of the military use of the landscape and the rise of military environmentalism through the twentieth century

Nationalism and the Politics of Fear in Israel Cathrine Thorleifsson, 2015-07-31 Kiryat Shmona located near the Israeli Lebanese border often makes the news whenever there is an outbreak of violence between the two countries In Israel's northernmost city the residents are mostly Mizrahim that is Jews descending from Arab and Muslim lands Cathrine Thorleifsson uses the dynamics at play along this border to develop wider conclusions about the nature of nationalism identity ethnicity and xenophobia in Israel and the ways in which these shift over time and are manipulated in different ways for various ends She explores the idea of being on the periphery of nationhood examining the identity forming and negotiating processes of these Mizrahim who do not neatly dovetail with the predominantly Ashkenazi concept of what it means to be Israeli Through in depth ethnographic observation and analysis Thorleifsson highlights the daily negotiation of Moroccan and Persian Jewish families who define themselves in opposition to Ashkenazi Jews from Russia and Central and Eastern Europe and the Druze Christian and Muslim Arab populations which surround them But this is not just an examination of differences and stereotypes which are continually perpetuated Instead Thorleifsson highlights the instances of inter marriage between Mizrahi and Ashkenazi Jews and what this means for the high politics of nationalist narratives as well as the everyday aspect of family dynamics But having done so she does also acknowledge that many of Israel's laws which deal with ethnic identity do result in discrimination and daily exclusion against a large number of its citizens something which reflects the ethnocratic character of the state By including all of these different aspects of the daily negotiation of identity in a northern town in Israel Thorleifsson offers a frank and balanced account of the nature of state nationalism and the people who are affected by it Covering an interesting aspect of Israeli society which is often overlooked this account of relations between both Ashkenazi and Mizrahi Jews and those

between Mizrahi Jews and Palestinians is an important contribution to the study of Israeli and Middle Eastern societies **A Cultural History of Waste Disposal** Benjamin A. Lawson, 2024-12-11 This book offers a historical analysis of landfill sites in New York City Greater Toronto and Greater Tel Aviv and uses them as case studies to emphasize the international and global scale of issues concerning waste disposal and park redevelopments New York Toronto and Tel Aviv are currently redeveloping giant landfills into parks to much fanfare The park redevelopments may be seen as an attempt to erase or assuage the decades of problematic waste disposal policy that led to the creation of such large landfills Booster rhetoric underscores this point such as promoting how the parks will be a green lung for the city This book contextualizes these redevelopments by offering a historical analysis providing a greater understanding of the past current and future potential issues It goes on to analyze the language and media coverage surrounding former waste sites becoming park redevelopments including how cities use art to promote their image and gain cultural relevance By engaging with both the works of waste historians and literature on waste and discard studies the book provides theoretical models for analyzing the role of power in municipal systems as well as human and ecological impacts on waste It concludes with an analysis of the features necessary for landfill parks to be successful This book will be useful for scholars researchers and academics studying waste studies the environment cities and sustainable development as well as for policymakers and environmental eco artists **The Way into Judaism and the Environment** Jeremy Benstein, PhD, 2013-05-07 An accessible introduction to the Jewish understanding of the natural world and the key concepts central to Jewish environmentalism At a time of growing concern about environmental issues this book explores the relationship Jews have with the natural world and the ways in which Judaism contributes to contemporary social environmental issues It also shows readers the extent to which Judaism is part of the problem and how it can be part of the solution Offering both an environmental interpretation of Judaism and a Jewish approach to environmentalism this book examines What environmentalism is What the creation stories can teach us about who we are and what nature is The relevance of Torah and traditional sources **The Zionist Ideas** Gil Troy, 2018 The most comprehensive Zionist collection ever published The Zionist Ideas Visions for the Jewish Homeland Then Now Tomorrow sheds light on the surprisingly diverse and shared visions for realizing Israel as a democratic Jewish state Building on Arthur Hertzberg's classic The Zionist Idea Gil Troy explores the backstories dreams and legacies of more than 170 passionate Jewish visionaries quadruple Hertzberg's original number and now including women mizrachim and others from the 1800s to today Troy divides the thinkers into six Zionist schools of thought Political Revisionist Labor Religious Cultural and Diaspora Zionism and reveals the breadth of the debate and surprising syntheses He also presents the visionaries within three major stages of Zionist development demonstrating the length and evolution of the conversation Part 1 pre 1948 introduces the pioneers who founded the Jewish state such as Herzl Gordon Jabotinsky Kook Ha'am and Szold Part 2 1948 to 2000 features builders who actualized and modernized the Zionist blueprints such as Ben-Gurion Berlin Meir Begin Soloveitchik Uris and

Kaplan Part 3 showcases today's torchbearers including Barak Grossman Shaked Lau Yehoshua and Sacks This mosaic of voices will engage equally diverse readers in reinvigorating the Zionist conversation weighing and developing the moral social and political character of the Jewish state of today and tomorrow

Transboundary Water Issues in Israel, Palestine, and the Jordan River Basin David B. Brooks, Julie Trottier, Giulia Giordano, 2019-10-11 This book highlights the search for permanent freshwater agreements between Israel Palestine and the western portions of Jordan and underscores the benefits of shared water management among the three countries Throughout the book efforts are made to share transboundary water in ways that are simultaneously physically feasible ecologically sustainable and socially equitable Thanks to the Peace Treaty between Israel and Jordan the management of shared water resources has been working well though future relationships are uncertain at present However the current arrangements for Israel and Palestine are at best inadequate and in some cases counterproductive In closing the book argues that trilateral agreements on water can and should be concluded now before seeking to resolve the full range of issues that remain uncertain in a Final Status Agreement between Israel and Palestine

All the Trees of the Forest Alon Tal, 2013-10-22 In this insightful and provocative book Alon Tal provides a detailed account of Israeli forests tracing their history from the Bible to the present and outlines the effort to transform drylands and degraded soils into prosperous parks rangelands and ecosystems Tal's description of Israel's trials and errors and his exploration of both the environmental history and the current policy dilemmas surrounding that country's forests will provide valuable lessons in the years to come for other parts of the world seeking to reestablish timberlands

Management Of Transboundary Water Resources Under Scarcity: A Multidisciplinary Approach Ariel Dinar, Yacov Tsur, 2017-03-17 Water scarcity due to climate change population growth and economic development is a critical issue in many semi arid and arid regions around the world Water scarcity is especially critical in regions where water is shared by several riparian states and used for competing purposes irrigation domestic industry environment and hydropower There is evidence that water scarcity may give rise to conflicts among the riparian states that share water basins At the same time there is evidence that proper arrangements among riparian states create a basis for cooperation which is a necessary condition for economic development food production environmental sustainability and poverty reduction This book presents a collection of work presented by a group of academics and policy experts dealing with the impact of water scarcity and variability on the ability to jointly manage shared water and the derived welfare of international states and nations sharing international river basins consisting of economics technology law and institutions geography and international relations The book covers theoretical aspects of management of transboundary water as well as case studies from hotspots around the world The unique aspect of this book is the multidisciplinary nature of the chapters reflecting a new field of research that will gain popularity as water scarcity will increase over time and across regions The chapters from the book were presented at the Management of Transboundary Water Resources under Scarcity Perspectives on Agriculture and Food Security workshop

held at The Hebrew University of Jerusalem Israel from June 22 to 23 2015 Milk and Honey Tamar Novick, 2023-08-08 An innovative historical analysis of the intersection of religion and technology in making the modern state focusing on bodily production and reproduction across the human animal divide In Milk and Honey Tamar Novick writes a revolutionary environmental history of the state that centers on the intersection of technology and religion in modern Israel Palestine Focusing on animals and the management of their production and reproduction across three political regimes the late Ottoman rule British rule and the early Israeli state Novick draws attention to the ways in which settlers and state experts used agricultural technology to recreate a biblical idea of past plenitude literally a land flowing with milk and honey through the bodies of animals and people Novick presents a series of case studies involving the management of water buffalo bees goats sheep cows and people in Palestine Israel She traces the intimate forms of knowledge and bodily labor production and reproduction in which this process took place and the intertwining of bodily political and environmental realms in the transformation of Palestine Israel Her wide ranging approach shows technology never replaced religion as a colonial device Rather it merged with settler colonial aspirations to salvage the land bolstering the effort to seize control over territory and people Fusing technology religious fervor bodily labor and political ecology Milk and Honey provides a novel account of the practices that defined and continue to shape settler colonialism in the Palestine Israel revealing the ongoing entanglement of technoscience and religion in our time **At Nature's Edge** Gunnel Cederlöf, Mahesh Rangarajan, 2018-09-18 In an epoch when environmental issues make the headlines this is a work that goes beyond the everyday Ecologies as diverse as the Himalayas and the Indian Ocean coast the Negev desert and the former military bases of Vietnam or the Namib desert and the east African savannah all have in common a long time human presence and the many ways people have modified nature With research covering countries from Asia Africa and Australia the authors come together to ask how and why human impacts on nature have grown in scale and pace from a long pre history The chapters in this volume illumine specific patterns and responses across time going beyond an overt centring of the European experience The tapestry of life and the human reshaping of environments evoke both concern and hope making it vital to understand when why and how we came to this particular turn in the road Eschewing easy labels and questioning eurocentrism in today's climate vocabulary this is a volume that will stimulate rethinking among scholars and citizens alike **Coca-Cola, Black Panthers, and Phantom Jets** Oz Frankel, 2024-07-23 In the late 1960s Israel became more closely entwined with the United States not just as a strategic ally but also through its intensifying intimacy with American culture society and technology Coca Cola Black Panthers and Phantom Jets shows how transatlantic exchanges shaped national sentiments and private experiences in a time of great transition forming a consumerist order accentuating social cleavages and transforming Jewish identities Nevertheless there remained lingering ambivalence about and resistance to American influences Rather than growing profoundly Americanized Israelis forged unique paths into the American orbit As supporters and immigrants American Jews assumed an ambiguous

role expediting but also complicating the Israeli American exchange Taking an expansive view of Israeli American encounters historian Oz Frankel reveals their often unexpected consequences including the ripple effects that the rise of Black Power had on both extremes of Israeli politics the adoption of American technology that fed the budding Israeli military industrial complex the consumerist ideologies that ensnared even IDF soldiers and Palestinians in the newly occupied territories and the cultural performances that lured Israelis to embrace previously shunned diasporic culture What made the racial strife in the US and the tensions between Ashkenazi and Mizrahi Jews in Israel commensurable How did an American military jet emerge as a national fixation Why was the US considered a paragon of both spectacular consumption and restrained rational consumerism In ten topical chapters this book demonstrates that the American presence in Israel back then as it is today was multifaceted and contradictory

Land and Desire in Early Zionism Boaz Neumann, 2011-05-10 A provocative look at the centrality of desire for the Land among early settlers in pre state Israel

The Zionist Bible Nur Masalha, 2014-10-20 Throughout the history of European imperialism the grand narratives of the Bible have been used to justify settler colonialism The Zionist Bible explores the ways in which modern political Zionism and Israeli militarism have used the Bible notably the Book of Joshua and its description of the entry of the Israelites into the Promised Land as an agent of oppression and to support settler colonialism in Palestine The rise of messianic Zionism in the late 1960s saw the beginnings of a Jewish theology of zealotocracy based on the militant land traditions of the Bible and justifying the destruction of the previous inhabitants The Zionist Bible examines how the birth and growth of the State of Israel has been shaped by this Zionist reading of the Bible how it has refashioned Israeli Jewish collective memory erased and renamed Palestinian topography and how critical responses to this reading have challenged both Jewish and Palestinian nationalism

Shared Borders, Shared Waters Sharon B. Megdal, Robert G. Varady, Susanna Eden, 2012-12-18 This collection of papers examines water management in two of the worlds prominent arid transboundary areas facing similar challenges In the Middle East the chronically water short Israeli Palestinian region has recognized the need both to conserve and supplement its traditional water sources Across the globe on the North American continent A

What is Environmental History? J. Donald Hughes, 2015-11-30 What is environmental history It is a kind of history that seeks understanding of human beings as they have lived worked and thought in relationship to the rest of nature through the changes brought by time In this new edition of his seminal student textbook J Donald Hughes provides a masterful overview of the thinkers topics and perspectives that have come to constitute the exciting discipline that is environmental history He does so on a global scale drawing together disparate trends from a rich variety of countries into a unified whole illuminating trends and key themes in the process Those already familiar with the discipline will find themselves invited to think about the subject in a new way This new edition has been updated to reflect recent developments trends and new work in environmental history as well as a brand new note on its possible future Students and scholars new to environmental history will find the book both an indispensable guide and a rich source of

inspiration for future work The Palestine Nakba Nur Masalha, 2012-02-09 2012 marks the 63rd anniversary of the Nakba the most traumatic catastrophe that ever befell Palestinians This book explores new ways of remembering and commemorating the Nakba In the context of Palestinian oral history it explores social history from below subaltern narratives of memory and the formation of collective identity Masalha argues that to write more truthfully about the Nakba is not just to practise a professional historiography but an ethical imperative The struggles of ordinary refugees to recover and publicly assert the truth about the Nakba is a vital way of protecting their rights and keeping the hope for peace with justice alive This book is essential for understanding the place of the Palestine Nakba at the heart of the Israel Palestine conflict and the vital role of memory in narratives of truth and reconciliation *Erased from Space and Consciousness* Noga Kadman, 2015-09-07 Hundreds of Palestinian villages were left empty across Israel when their residents became refugees after the 1948 war their lands and property confiscated Most of the villages were razed by the new State of Israel but in dozens of others communities of Jews were settled many refugees in their own right The state embarked on a systematic effort of renaming and remaking the landscape and the Arab presence was all but erased from official maps and histories Israelis are familiar with the ruins terraces and orchards that mark these sites today almost half are located within tourist areas or national parks but public descriptions rarely acknowledge that Arab communities existed there within living memory or describe how they came to be depopulated Using official archives kibbutz publications and visits to the former village sites Noga Kadman has reconstructed this history of erasure for all 418 depopulated villages Start-up Nation Dan Senor, Saul Singer, 2025-05-01 This New York Times bestseller explores what the world can learn from Israel's meteoric economic success With a Foreword by Shimon Peres Start Up Nation addresses the trillion dollar question How is it that Israel a country of seven one million only sixty years old surrounded by enemies in a constant state of war since its founding with no natural resources produces more start up companies than large peaceful and stable nations like Japan China India Korea Canada and the UK With the savvy of foreign policy insiders Dan Senor and Saul Singer examine the lessons of the country's adversity driven culture which flattens hierarchy and elevates informality all backed up by government policies focused on innovation In a world where economies as diverse as Ireland Singapore and Dubai have tried to re create the Israel effect there are entrepreneurial lessons well worth noting As America reboots its own economy and can do spirit there's never been a better time to look at this remarkable and resilient nation for some impressive surprising clues What's the business plan Chutzpuh Lots of it The book weaves together colorful stories of Israeli technological triumphs and it is marvelous Washington Post A compelling case study delivered with insightful analysis an accomplishment not simply for exposing the roots of Israel's success but showing what the Israeli case might teach the rest of the world USA Today Bracing has huge relevance thinking about America's renewal New Republic The Dark Side of Zionism Baylis Thomas, 2011-01-01 The thesis of The Dark Side of Zionism arising from new histories neglected by the media is that both the early Zionists and the

Israelis sought their security through military domination of the indigenous Arab population of Palestine. This strategy required avoiding negotiations with the Palestinians as well as demonstrating Israeli military might through wars initiated against Arab states opposed to an Israeli takeover of Palestine.

Unveiling the Power of Verbal Artistry: An Mental Sojourn through **Pollution In A Promised Land An Environmental History Of Israel**

In a world inundated with displays and the cacophony of quick communication, the profound power and mental resonance of verbal artistry usually disappear in to obscurity, eclipsed by the regular onslaught of sound and distractions. However, nestled within the musical pages of **Pollution In A Promised Land An Environmental History Of Israel**, a fascinating perform of fictional elegance that impulses with fresh feelings, lies an memorable journey waiting to be embarked upon. Written by way of a virtuoso wordsmith, this interesting opus manuals viewers on an emotional odyssey, gently revealing the latent possible and profound affect embedded within the elaborate internet of language. Within the heart-wrenching expanse of this evocative evaluation, we can embark upon an introspective exploration of the book is key themes, dissect their interesting publishing design, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.
