Ten Men of the Bible Max Lucado,2015-07-14 The men depicted in the Bible were not perfect by any means We find story after story marked by scandal failure and intrigue Yet we also find many stories of men who were able to look beyond their circumstances completely trust in the Lord and follow Him wherever He chose to

them Like us these men made both good and bad decisions along the way and experienced both good and bad consequences and we find our struggles and hopes in the pages of the Bible that tells their stories In this 10 session workbook Max Lucado tells some of his favorite stories of these men in the Bible Stories include Noah When You're Low on Hope Job The Most Famous Conversation in the Bible Jacob Wrestling with the Past Moses The Voice from the Mop Bucket David Colossal Collapses Joseph Unanswered Questions Matthew Friend of Flops Peter The Gospel of the Second Chance Lazarus The Final Witness Paul Don't Write Off Anyone Each session includes five insights on each character and Bible study questions to help you delve into the stories and apply them to your life *Bible Knowledge Commentary*, 1983 Cuneiform records made some three thousand years ago are the basis for this essay on the ideas of death and the afterlife and the story of the flood which were current among the ancient peoples of the Tigris Euphrates Valley Following up on his previous volume *The Babylonian Genesis* the author interprets the famous Gilgamesh epic and other related Babylonian and Assyrian documents He compares them with corresponding portions of the Old Testament in order to determine the inherent historical relationship of Hebrew and Mesopotamian ideas *If a Tree Falls* Junietta Baker McCall, 2022-10-10 Some of us are in the habit of thinking about what we know what we have experienced and are experiencing and what we would like to focus on more deeply While this habit is evidenced in differing ways it is clearly a process that seems to form part of the essence of who human beings are And there is plenty to think about every day Furthermore this habit of thinking about life has resulting in many interesting inventions movements and even inspiration about life This is important For when we are limited in our ability to engage in self reflection we stand a chance of becoming unbalanced For it is possible to have what might be called a poverty in thinking and making sense of those thoughts feelings and beliefs While it is also possible to think so much that one is stuck and in a ruminating rut that can cause disorders of the mind heart and soul While it is not usually good to have a sparsity of thoughts and experiences it is also not usually good to be overwhelmed by them What is good is to have an appropriate abundance of wonderment that leads to stimulation of person and community And so here we are at the beginning of a book consisting of many pages containing thoughts about what the author and others know what she and others have experienced and some things many would like to focus on more deeply And this time the material will be presented in a format similar to the previous publication *One Lesson at a Time* 1 as a model for structured journaling including content for contemplation and hopefully rich sources for reframing memory and furthering inspiration that leads to growth and development on the reader's personal and perhaps communal levels **The Hope of Life After Death** M. Jeff Brannon, 2022-11-15 In a world full of suffering and death humans long for abundant life In this ESBT volume Jeff Brannon explores how the hope of life after death is woven throughout Scripture As we follow the biblical themes of creation fall and redemption we begin to understand the doctrine of resurrection and what it means for Christian faith and discipleship
