Background and Scope: *Journal of Management Education* is a peer-reviewed journal that publishes research, theory, and practice in the field of management education. The journal covers a wide range of topics, including management education, organizational behavior, and leadership. The journal is published by the American Management Association (AMA) and is available online through the journal's website.

1. *Abstracts* contain brief, factual, readable summaries of research reports. Abstracts are written by professional abstractors who are trained to identify the key points of a research report and to present them in a concise, readable format. Abstracts are often used by researchers to quickly determine if a particular study is relevant to their work.
