Nova Math Placement Test Study Guide:

Virginia Math Placement Test Practice Answers Explained Jill Hacker, 2017-05-22 Community Colleges in Virginia require new students to take a test for math placement. Often students do poorly on this test just because they are not prepared and then they may get set back a semester or even a year taking developmental math. This book explains the answers to the practice questions for the Virginia Community College System's math placement test for the developmental math section only. Use it to prepare for the test so you can get the score you need to start college taking the math you want. Note: The questions whose answers are explained in this book are not included. To use the book you will need to use the Internet to see the questions. Or email the author who will send the questions to you. **Virginia Math Placement Test Practice Answers Explained** Jill Hacker, 2012-05-30 If you're a student entering community college in Virginia you may be required to take a math placement test. The results of this test will determine whether you need to take remedial math before you can take the courses in your program. Remedial math could set you back a semester or a year in your program. This book is designed to help you prepare for the placement test so you can score well and move quickly toward your goal. It contains solutions, answer explanations for Northern Virginia Community College's practice questions for the test. Note: Only solutions, not questions are included in this book. The questions are found online; a link to them can be found in the book's introduction.
