

MARK SCHEME for the October/November 2008 question paper

0500 FIRST LANGUAGE ENGLISH

0500/02

Paper 2 (Reading Passage – Extended),
maximum raw mark 50

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began.

All Examiners are instructed that alternative correct answers and unexpected approaches in candidates' scripts must be given marks that fairly reflect the relevant knowledge and skills demonstrated.

Mark schemes must be read in conjunction with the question papers and the report on the examination.

- CIE will not enter into discussions or correspondence in connection with these mark schemes.

CIE is publishing the mark schemes for the October/November 2008 question papers for most IGCSE, GCE Advanced Level and Advanced Subsidiary Level syllabuses and some Ordinary Level syllabuses.

AND ECOLOGY SOLVED PAPERS ACCA Paper P6 Advanced Taxation FA2012 Practice and revision kit BPP Learning Media,2013-01-01 The examiner reviewed P6 Practice and Revision Kit provides invaluable guidance on how to approach the exam and contains past ACCA exam questions for you to try to develop your application skills Questions are grouped by topic so that you can easily identify what they cover Detailed solutions provide tips advise you how to approach questions and tell you how to gain easy marks Examiner s comments tell you what the examiner is looking for in answers Geography, Institutions and Regional Economic Performance Riccardo Crescenzi,Marco Percoco,2012-12-13 The book aims to present traditional features of regional science as geographical concepts and institutions as well as relatively new topics such as innovation and agglomeration economies In particular it demonstrates that contrary to what has been argued by recent economics literature both geography and institutions or culture are relevant for local development In fact these phenomena along with the movement of goods and workers are among the main reasons for persisting development differentials These intriguing relationships are at the heart of the analysis presented in this book and form the conceptual basis for a promising institutional approach to economic geography **Aiming for Global Accounting Standards** Kees Camfferman,Stephen A. Zeff,2015-03-26 The International Accounting Standards Board IASB and its International Financial Reporting Standards IFRSs have acquired a central position in the practice and regulation of financial reporting around the world As a unique instance of a private sector body setting standards with legal force in many jurisdictions the IASB s rise to prominence has been accompanied by vivid political debates about its governance and accountability Similarly the IASB s often innovative attempts to change the face of financial reporting have made it the centre of numerous controversies This book traces the history of the IASB from its foundation as successor to the International Accounting Standards Committee IASC and discusses its operation changing membership and leadership the development of its standards and their reception in jurisdictions around the world The book gives particular attention to the IASB s relationships with the European Union the United States and Japan as well as to the impact of the financial crisis on the IASB s work By its in depth coverage of the history of the IASB the book provides essential background information that will enrich the perspective of everyone who has to deal with IFRSs or the IASB at a technical or policy making level **ACCA Paper P6 Advanced Taxation FA2008 Practice and Revision Kit** BPP Learning Media,2010-01-01 The Association of Chartered Certified Accountants ACCA is the global body for professional accountants With over 100 years of providing world class accounting and finance qualifications the ACCA has significantly raised its international profile in recent years and now supports a BSc Hons in Applied Accounting and an MBA BPP Learning Media is an ACCA Official Publisher Paper P6 Advanced Taxation requires you to extend the core tax knowledge that you learnt for Paper F6 As well as widening your knowledge of the core taxes you will need to study inheritance tax stamp taxes and trusts for the first time In this paper you will also be expected to comment on ethical issues In Paper P6 all of the questions set will be scenario type questions as opposed to the purely computational questions that you

met at Paper F6 The emphasis of the questions will be on the interpretation of a given situation You may need to propose alternative strategies and compare and contrast the results Marks will be specifically awarded in the examination for the demonstration of effective communication skills You will also need to demonstrate that you are aware that there may be non tax matters that should be taken into account The important point about this paper is that you need to develop your application skills The best way to do this is to practise as many exam standard questions as possible BPP Learning Media's P6 FA2008 Practice and Revision kit allows you to do just this The Practice and Revision kit is new and has been specifically written for this paper Most of our questions are exam standard although some are preparation questions which ease you into the topic you are studying Questions are grouped into topic areas so that you can easily identify those that cover particular areas Our detailed solutions often provide top tips advice on how to approach the question or advice on gaining easy marks There is also a reference so that you know where the topics concerned are covered in the study text BPP Learning Media is the publisher of choice for many ACCA students and tuition providers worldwide Join them and plug into a world of expertise in ACCA exams

Sustainable Governance in Hybrid Organizations Linne Marie Lauesen, 2016-03-03 In Sustainable Governance in Hybrid Organizations the author Linne Marie Lauesen explores how businesses that have succeeded in conducting sustainable governance manage and govern their sustainable performance in other words how they manage to be economically socially and environmentally sustainable In this respect hybrid organizations that are formed as businesses with a mission to be sustainable and to provide services for society such as water companies are a good point of departure Water companies are highly regulated whilst working primarily for the betterment of society and on behalf of generations to come for whom clean and plentiful water and the preservation of nature is a must Linne Marie has dug deep into these types of hybrid organizations in order to reveal which mechanisms of organizational governance for sustainability are at play and how these organizations manage to balance their triple bottom lines in order to survive financially socially and environmentally and make a business out of their conduct Balancing these three bottom lines in a sustainable way is explained in a clear and accessible way and the juxtaposition between non profit and for profit water companies will show how this model can be transferred to other business spheres

The Antitrust Revolution in Europe Lee McGowan, 2010-01-01 Lee McGowan's authoritative book is a very welcome addition to the literature on developments in European antitrust It focuses primarily on EU supranational cartel policy providing a fascinating critical account of why policy developed as it has and of its effectiveness in detecting punishing and deterring cartelists to the present With its emphasis on institutional structures and decision making processes and its use of examples the book will be an invaluable reference for political scientists and should also attract a wide readership among economists and lawyers Eleanor J Morgan University of Bath UK
