These are the first results of the first year of implementation of the system in a laboratory. They give a glimpse of the way in which the system works, and the way in which the system is used. The system is used in a number of ways, and the system is used in a number of ways.

There are predominantly 3 categories of entry strategies: direct equity capital in cash or equity, joint venture, and greenfield. The last 2 are used to enter a new market. Joint ventures imply a mix of cash or equity (affiliates) and equity (affiliates) in a new market, or cash (affiliates) in a new market.
