

DEDICATION

As well as everything that I do, I would be honor to dedicate this Compilation to my parents. The two person that gave the tools and values necessary to be where I am standing today. My parents support me on every step I make, and decision I take; but is necessary to understand that they let me take my decisions alone in order for me to learn from my personal mistake and as my father says to “learn and grow from each seatback”. I will never finish to thank my father and my mother for all the opportunities that they have offer and gave me, for all the teachings that they have told me and for every advise that come out of their mouth. I am so graceful with them for trusting me that I would do a Good job in the university, and letting me come to achieve a higher education.

So that’s why I dedicate this Portfolio to my parents, whom expect my effort on everything that I do, and I think that this Compilation is the perfect image and reflection of my effort and hard work in Reading and Writing Skills. Mama and Papa: I hope that I can make you proud, the same way that I am proud of having both of you as my parents and as the compass of my life!

Battenheim, 1916 **Town & County Edition of The American City**, 1916 *Emancipation* John Clay Smith (Jr.), 1999 Emancipation is the first truly comprehensive reference book covering the first one hundred years of African Americans in the legal profession

Other legal historians and biographers must take Smith's work as a starting point for gauging the impact Black lawyers and institutions have had upon the evolution of the American legal profession. Black Issues in Higher Education: The sheer quantity of information contained in *Emancipation* is overwhelming; the impact of page after page of data, stories, and lives, and the thousands of detailed, extensive footnotes and documentation is simply overpowering. It is a monumental achievement. *Southern University Law Review*: A remarkable piece of scholarship. *Emancipation* contains a wealth of information previously unknown even to those who consider themselves well informed about African American history. It will, I am sure, serve as the definitive authority on the history of black lawyers for years to come. *St. Louis Post-Dispatch*: *Emancipation* is an important and impressive work; one cannot read it without being inspired by the legal acumen, creativity, and resiliency these pioneer lawyers displayed. It should be read by everyone interested in understanding the road African Americans have traveled and the challenges that lie ahead. From the Foreword by Justice Thurgood Marshall: J. Clay Smith Jr. is Professor of Law and formerly Dean at the Howard University School of Law.
