Developing User Assistance for Mobile Apps - 2nd Edition Joe Welinske, 2014-09-19 Smartphones have sparked a huge new software segment: the mobile app. This creates an important pair of questions for user assistance professionals: What is our role going forward in mobile and how can we prepare to take that on? User Assistance does have a role in supporting mobile apps. As the mobile app market continues to soar, this is becoming the next frontier for user assistance professionals. This book provides unique and detailed instruction and guidance regarding design, writing tools and planning of your mobile UA. This edition is fully revised with over 300 pages of new content.

Samsung Gear S2 Smart Watch: A Guide for Beginners Philip Tranton, 2015-12-03 Samsung released its newest piece of technology in the form of the Gear S2 line of Smart watches. The line was released to the public in October of 2015. The reviews to date launch the device for its polish, compatibility and innovation. The new Smart Watch comes equipped with a number of new features as well as features that are similar to smart watches previously released by other companies. The features included in the S2 design include a barometer, ambient light sensor, Wi-Fi, NFC and Bluetooth connection capabilities, a one point two inch circular display, a dual core 1GHz processor, storage of approximately five hundred and twelve megabytes and a Tizen operating system platform. Other features on the smart S2 watch include contacts, music player, maps, navigation, S Voice, email notifications, messages and S Health apps. The purpose of this article is to highlight the facts and features of the new Smart Watch by Samsung.
