

ReadyGen – Kindergarten: Unit 2 Module B – Understanding Then and Now

Duration: 3 weeks

Key Ideas	Change				
Enduring Understandings	- Readers understand that asking questions enables a reader to gain information from a text. - Writers understand that they can express an opinion through writing, dictating, and drawing. - Learners will explore context to understand that there are similarities and differences between then and now.				
Essential Questions	- How does asking and answering questions help us understand what we are reading? - How do writers use illustrations to explain an idea?				
Module Goals	- Readers will practice asking and answering questions about pictures and illustrations in stories. - Writers will draw, dictate, and write about life then and now. EXPLORE CONTEXT: Learners will explore context to understand that lives of people in the past were similar to and different than they are today.

Performance Based Assessment	<i>Texts: Life on the Farm</i> Based on what they learned from reading <i>Century Farm</i>, children will compare living on a farm today to living on a farm 100 years ago. Using a graphic organizer, children will draw and write what is similar and different. Children will then draw and write to support their opinion to the following questions: <i>Would you like to live on a farm? Why or why not?</i> Target Standards: Common Core Learning Standard W.K.1

Readygen Kindergarten Overview:

Co-Teaching for English Learners Maria G. Dove, Andrea Honigsfeld, 2017-09-27 Dove and Honigsfeld's new book arrives at the perfect time as an increasing number of schools move to a collaborative instructional model and are searching for guidance. The authors not only tell us how to effectively collaborate and co-teach to benefit English learners; they actually show us what each component of the collaborative instructional cycle looks and feels like, complemented by innovative video and web content. DIANE STAEHR FENNER, Coauthor of *Unlocking ELs' Potential* and President of SupportEd: Because teacher collaboration isn't an option, it's a MUST. The proof is borne out by any assessment: our non-native speakers learn faster and achieve more when general ed teachers and EL specialists co-plan and co-deliver instruction in the very same classroom. That's why you'll want to put *Co-Teaching for English Learners* at the top of your reading list. Step by step, EL authorities Maria Dove and Andrea Honigsfeld walk you through the entire collaborative instruction cycle along with seven potential classroom configurations from which to choose. Whether you're new to co-teaching or just see room for improvement in your practice, this practical handbook delivers every technique and tool you need to make the most of your collaboration, including video footage of co-teaching in action. Inside, you'll find in-depth profiles of the seven models with detailed descriptions and analyses. A review of advantages and challenges of each model's implementation. Clear explanations of each teacher's role along with self-assessment tools. Tried and true strategies for the entire instructional cycle: co-planning, co-instruction, co-assessment, and reflection. Real-life accounts from co-teaching veterans. Long gone are the days when our ELs are taught in isolation, and rightfully so. Read *Co-Teaching for English Learners*, implement its strategies, and soon enough you too can set up a learning environment in which all students thrive. **Readygen 2014 Text Collection Little Book 6-Pack Grade K**
