Scholar Guide Annamalai:

Beyond Mentorship The SR Singara Subramanian Way YAMINI MALHOTRA,2024-03-07 In the geological expanse of academia there are a few individuals who stand out not just for their scholarly contributions but also for their profound impact on the lives they touch Dr Prof Saradambal Ramachandran Singara Subramanian or Dr SR Singara Subramanian as he is affectionately known is one such individual As a professor in the Department of Earth Sciences and the joint controller of examinations Faculty of Science at Annamalai University his influence extends far beyond the realms of his professional titles He was also the former head of the Department of Earth Sciences at Annamalai University a testament to his leadership and expertise in his field I first encountered Dr SR Singara Subramanian when I embarked on my PhD journey a journey that began later in life than most Despite my age and unconventional path Dr SR Singara Subramanian saw potential in me and welcomed me into his academic family with open arms His belief in my abilities gave me the confidence to pursue my research with vigor and determination One of the most striking qualities of Dr SR Singara Subramanian is his liberal approach to guidance Unlike some mentors who impose their ideas on their scholars Dr SR Singara Subramanian always took the time to listen to my thoughts and ideas He nurtured my research encouraging me to explore new avenues and think critically about my work His guidance was never stifling instead it was a gentle nudge in the right direction allowing me to grow and develop as a scholar in my own right But perhaps what sets Dr SR Singara Subramanian apart is his unwavering commitment to his principles Throughout my time working with him I have seen firsthand his dedication to academic integrity and ethical conduct He is a role model not just in his academic achievements but also in his steadfast adherence to his values This book is a tribute to Dr SR Singara Subramanian s remarkable legacy It is a testament to his belief in his scholars his liberal approach to guidance and his unwavering commitment to his principles But more than that it is a celebration of the profound impact he has had on the lives of those fortunate enough to work with him I hope that this book serves as a fitting tribute to a man who has truly made a difference in the world of academia

Emerging Technologies to Enhance Learning among Slow Learners Dr. R. Gnanadevan and Dr. R. Babu,2019-04-08 Information technology IT has become a vital and integral part of every business plan Technology has the ability to enhance relationships between teachers and students When teachers effectively integrate technology into subject areas teachers grow into roles of adviser content expert and coach Technology helps make teaching and learning more meaningful and fun From multi national corporations who maintain mainframe systems and databases to small businesses that own a single computer IT plays a role The reasons for the omnipresent use of computer technology in business can best be determined by looking at how it is being used across the business world

Education on Digital Cultural and Social Media Dr. S. Saileela and Dr. S. Kalaivani,2019-11-27 In the globalization era social media become more popular in everyone s daily life with its user friendly and effective functions Social media support the people across the world in communicating meeting new people making

socialization sharing knowledge learning different experiences and interacting with each other instead of distance and separation between persons Moreover social media can encourage the increasing of intercultural adaptation level of people who are facing different cultural experiences in new communities The study shows that people use social media to become more adaptable with the new cultures of the host countries and to preserve their connections with home countries *The Present and Future Innovative Education Practices in Post-Pandemic World in the Fields of Engineering, Science, Arts, Humanities, Commerce, Economics, Social Sciences, Law and Management - Changes, Challenges and Opportunities* Dr.Sundari Suresh,Dr.S.Radha Rammohan,Dr.K.Bharath, Looking Back Prof. V. Krishnamurthy,2024-04-11 Precious few have lived so complete a life as to encompass so many integral parts of our identity as Indians Fewer still have had the foresight and generosity to document this journey for future generations to learn from V Krishnamurthy is such a unique soul Hailing from South India he absorbed the vital essences of the Vedas Upanishads and sacred Hindu texts from his father at a very young age This faith and spirituality was foundational in later life as he navigated raising a family pursuing a PhD with limited means travelling to and working in America in the 1960 s and playing a pivotal role in the herculean task of creating a world class educational institution for a burgeoning India as the nation started to come into its own For those who find this world fascinating Krishnamurthy s narrative will give form and colour to what life was like over the last century A veteran author his latest work will give the reader a snapshot of his life trials and time well spent on this earth **SSC General Awareness Chapter Wise Note Book | Complete Preparation Guide For CGL/CPO/CHSL/ GD/MTS** EduGorilla Prep Experts,2022-10-01 Best Selling Topic Wise Book for SSC General Awareness Exam with objective type questions as per the latest syllabus Increase your chances of selection by 16X SSC General Awareness Notes Book comes with well structured Content Chapter wise Practice Tests for your self evaluation Clear exam with good grades using thoroughly Researched Content by experts *Introspective Practices and Executives' Leadership Behaviour* By S.Pragadeeswaran S.Pragadeeswaran, The Journal of Oriental Research, Madras ,1945 *London Horizon Magazine* Dr. B.
