**Madness, All Over Again** Fabian Garcia,2025-03-06 Milo is an inpatient at the Bellevue Psychiatric Institute Hospital He is clever verbose and wants absolutely nothing to do with the world outside but doesn t seem to want much to do with anything inside either He and his chatty roommate form a reluctant alliance to catch one of the nurses in the act of creeping into their room presumably for nefarious purposes What follows is a quick well paced and witty story touching playful and a little manic like its fascinating protagonist A funny poignant and hard to put down read

about honesty human connection and what it means to be mentally sound      Why Can't We Just Get Along Allen DeKeyser ,2025-10-10 What happened to kindness When did love become a debate instead of a lifestyle Why did humanity forget that we all breathe the same air In Why Can t We All Just Get Along author Allen DeKeyser delivers a raw unfiltered and deeply human journey through division pain and the relentless work of repair Told through vivid storytelling community resilience and emotional honesty this book isn t about slogans or speeches it s about the everyday people who quietly rebuild peace one small act at a time From city benches turned into gathering places to ordinary neighbors who remind us what empathy looks like in action DeKeyser writes with a mix of heart and hard truth He asks the question we ve all been avoiding and builds a blueprint for how we can finally start living the answer This book will make you feel something hope humility conviction maybe even guilt and then hand you tools to do something with it It s not a book about politics It s a book about people About grace that grows in hard soil And about the simple truth that we don t need to be perfect to make peace we just need to care enough to try Whether you ve lost faith in humanity or you re still fighting to believe in it Why Can t We All Just Get Along is a reminder that love is not weakness it s leadership Because peace isn t passive it s a choice we keep making
