Schoolgirls Flashing Knickers:

Tales from Schoolgirls Mandy Bell, **Meat Market** Laurie Penny, 2011-04-29 Modern culture is obsessed with controlling women's bodies. Our societies are saturated with images of unreal idealised female beauty whilst real female bodies and the women who inhabit them are alienated from their own personal and political potential. Under modern capitalism women are both consumers and consumed. Meat Market offers strategies for resisting this gory cycle of consumption exposing how the trade in female flesh extends into every part of women's political selfhood. *The It Girls* Caroline Young, 2025-03-18 The first book to explore the history of the It girl across the centuries. Nell Gwyn and Clara Bow Marilyn Monroe and Edie Sedgwick Jean Seberg and Margaux Hemingway Paris Hilton and Kim Kardashian. These names all conjure up images of glamor and celebrity as well as the toxic side of fame. They are the faces of their generation the ones we can't look away from and the ones who inevitably self-destruct. In *The It Girls: Glamor, Celebrity and Scandal* Caroline Young delves into the history and lives of these explosive trend-setting women. From seventeenth century London to twenty-first century Seoul Young tells the fascinating oftentimes tragic stories of the women who have been celebrated for their looks and scandalized for their actions in equal measure. She explores how the It girls defined and set new standards of beauty including the red-haired muses of the Pre-Raphaelite artists the World War II pin-up the crop-haired icons of the sixties and the cosmetically enhanced social media darlings of today and how no matter the era the treatment of these It girls is universal. While they are lauded and emulated they are also scrutinized and criticized. The stories of the It girls are laced with childhood trauma misogyny gaslighting and exploitation revealing that fame and adoration don't always equate to happiness. *The It Girls* is a captivating examination of women's history offering a reevaluation of how women have been celebrated and objectified over the centuries. *Headpress Guide to the Counter Culture* Temple Drake, 2004 An indispensable sampling of the vast assortment of publications which exist as an adjunct to the mainstream press or which promote themes and ideas that may be defined as pop culture alternative underground or subversive. Updated and revised from the pages of the critically acclaimed Headpress journal this is an enlightened and entertaining guide to the counter culture including everything from cult film music comics and cutting edge fiction by way of its books and zines with contact information accompanying each review. **Reflections From Life My Employer** Charlie Walker, 2000 **New Femininities** R. Gill, C. Scharff, 2013-05-31 This collection of original essays looks at the way in which experiences and representations of femininity are changing and explores the possibilities for producing new femininities in the twenty-first century. The volume includes a Preface by leading feminist scholar Angela McRobbie. **Pleasant Vices** Judy Astley, 2011-06-30 Bestselling author Judy Astley hits the funnybone of contemporary life yet again in this delicious comedy perfect for fans of Carole Matthews Jenny Colgan Lucy Diamond and Milly Johnson. Fast and fun *Woman Home* It sparkles with Astley's wry wit. Peterborough Evening Telegraph Loved reading this book. Reader review Enjoyed this from beginning to end. Reader review This is my happy book.

and I loved it so much I've read it twice Reader review Very funny Reader review EVERYONE HAS THEIR GUILTY PLEASURES The residents of the Close were much concerned with crime preventing it that is With all those out of work teenagers on the nearby council estate hanging around stealing joy riding and goodness knows what else it was just as well that Paul Mathieson was setting up a Neighbourhood Watch scheme Not that the inhabitants of the Close did not have their own little activities of course but these were hardly the same thing If Jenny and Alan's daughter was caught travelling on the underground without a ticket and their son was doing a little experimenting with certain substances and Laura didn't see the need to declare her earnings from hiring out her house to a film crew and Jenny drove home only just over the legal limit well these were quite different matters not to be compared with what went on in the Estate And then there was Jenny's discovery when she advertised flute lessons that she could work up quite a nice little earner in a rather unexpected way As the leafy London street resounded to the efforts of its citizens to keep crime at bay Jenny realised that it was her marriage rather than her property that needed watching

Post-War Childhood Simon Webb, 2017-05-31 Many British baby boomers are very nostalgic about a supposed golden age a vanished world when children were generally freer happier and healthier than they are now They wandered about all day only returning home at teatime when they were hungry Nobody worried about health and safety or stranger danger in those days and no serious harm ever befell children as a result In *Post War Childhood* Simon Webb examines the facts and figures behind the myth of children's carefree lives in the post war years finding that such things as the freedom to roam the streets and fields came at a terrible price In 1965 for example despite there being far fewer cars in Britain 45 times as many children were knocked down and killed on the roads as now die in this way each year Simon Webb presents awarts and all portrait of British childhood in the years following the end of the Second World War He demonstrates that contrary to popular belief it was by any measure a far more hazardous and less pleasant time to be a child than is the case in the twenty first century [Flash Art](#) ,1986 [Theatre Record](#) ,1999

Trouble Marise Gaughan, 2022-04-07 Spit your tea out funny Fern Brady Raw brutal and life affirming Sara Pascoe Addictive exhilarating and raw Daisy Buchanan author of *Insatiable* Graphic explicit visceral Irish Times Blistering Sunday Business Post Transcendent Irish Independent Marise was nine when she first realised there was trouble 14 when her Dad tried to end it all and 23 when he finally succeeded In a turmoil of conflicting emotions she runs leaving behind Dublin and her Catholic girlhood and fleeing to New York where she gets into a messy relationship with an older comedian who she idolises and who tells her she's special until she's not With a trail of sex self destruction and a near miss with Scientology in her back pocket eventually she finds herself in a California psych ward a young woman imploding As she retells her unravelling from child to adult Marise strips back her identity and her relationship with her father layer by layer until she finally starts to understand how to live with him years after he has gone Written beautifully with a caustic sense of humour and brutal honesty *Trouble* is one of the most powerful coming of age memoirs in recent years
