

Teaching the Sissy Maid to Work

By Madam Rebecca

It seems like a given that the maid should know how to work but its not the case. Its not just a matter of scrubbing the floor or serving coffee, its all in how it is done. There is a huge difference in the way I, for example, would bring someone a cup of coffee and the way I expect my sissy maids to serve a cup of coffee and those ways will change with various circumstances.

To be feminine in appearance, maid must always be in a properly made up and Make up must be complete lot of good to stand in front of a mirror several times a day and freshen up his lipstick! Nails must be the ultimate example of

But there is a great deal more the sissy maid must also act stooping instead of bending

contrary, the sissy maid must always act, speech and thought. A sissy maid, no exceptions. They must be dressed as feminine as possible. and refreshed often. It does a sissy a lot of good to stand in front of a mirror several times a day and must be polished, yes I know female about that but the sissy maid **MUST** submission and femininity.

more than just looking feminine, the sissy maid must act, speech and thought. Limp wrist, feet together, (unless told too) sitting with legs
