Directory of Scholarly Journals in Turkey Metin Kozak, Nazmi Kozak, 2017-03-07 Scholarly journals are the capillaries of the scientific world, ensuring the circulation of knowledge. Moreover, scholarly journals guide and indicate the scientific development in an academic field of study or in a country. Scholarly journals, which transfer and spread scientific information, are intended to properly fulfill their functions, preventing the transfer of imperfect or incorrect information to the science world. Significant issues are therefore inevitable in the characteristics of scientific studies in such

disciplines and countries where the scholarly journals do not fulfill their functions properly This study encompasses all scholarly journals published in Turkey in all fields of science and other disciplines The reference questions in this study are grouped under three main categories the contact and publication information article evaluation and publishing information The number of journals in this present study totals 1 910
