

Amazing Ways to Move!

Adaptive Equipment Activities for students in K - Grade 3

I Can, Too!

Written by Karen Aulisio • Illustrated by Laura Watson

ISBN 978-1-4452-9008-8 • For ages 5-7

Activities created by Ellen Husland, retired elementary school teacher and author of the award-winning Sophie Trophy Books, and Karen Aulisio, author of *I Can, Too!* and other books for young readers.

The adaptive equipment featured in *I Can, Too!* and explained in the back of the book helps people stand or get around if they're not able to walk or cannot walk far. This backmatter also explains how adaptive equipment can help people stand or get around if they have mobility issues. Other names for these tools are mobility aids and assistive devices.

Inclusive design allows everyone to participate! Be as inclusive as possible in your classroom. For example, if creating an audio or video recording is more accessible than writing or drawing, a student may choose that option.

Here are class activities to accompany your reading of *I Can, Too!*

Connections

Show 3 to 5 scenes from *I Can, Too!*

Ask: Do you use adaptive equipment or know anyone who does? Share about using one piece of equipment, or share about someone you know or someone on TV using one piece of equipment.

Say: Always ask permission before touching anyone's wheelchair or other adaptive equipment.

Activity: Invite children to choose one type of adaptive equipment and draw it being used.

Anti-tippers on Wheelchair

Show Kayla using her wheelchair on the title page of *I Can, Too!* and point to the anti-tippers — the small wheels at the back.

Ask: What do you think these are used for?

(To prevent tipping backwards when popping a wheelie to get over a curb or when wheeling uphill or up a ramp.)

Hint: They are called anti-tippers.

Sit-Skiing

Show Kayla using the sit-ski on page 7 of *I Can, Too!*

Ask: How many of you have skied, sit-skied, or seen someone sit-skiing before?

Ask: How is it done? What is the adult doing in the illustration?

(Possible prompts: helping steer, keeping the sit-ski balanced and skiing at a safe speed.)

Say: When Kayla can steer, balance and sit-ski safely, she won't need the adult anymore.

Ask: What makes skiing fun?

(Possible prompts: excitement of moving quickly; feeling the rush of air on your face; skiing down slopes; joining in winter sports with family and friends.)
