Getting Textbooks to Every Child in Sub-Saharan Africa Birger Fredriksen, Sukhdeep Brar, 2015-05-22 Textbooks play a key role in enhancing the quality of learning especially in the context of low income Sub Saharan African SSA countries characterized by large class size poorly motivated and inadequately trained teachers and short effective school years There are also high rates of illiteracy among parents and few reading materials at home for the student to bank on Despite extensive investments by governments the World Bank and other development partners the majority of students in primary and secondary schools in SSA still lack the benefit of access to textbooks and the key reason for this shortage is affordability textbooks are generally much more costly in SSA than in other developing regions The need to increase access to key learning resources is of particular urgency because most African countries experience low learning outcomes which in part contributes to a high drop out rate Only two thirds of those who enter school reach the final grade and only about half of these master basic numeracy and literacy skills And although quality improvement depends on many factors inside and outside the school there is wide agreement that availability of textbooks is both an indispensable and a

cost effective way of improving the quality of the learning process A recent World Bank study examined the actual costs of textbooks the scope for cost reduction the portion of a national budget countries allocate to teaching and learning materials TLMs and hurdles in the way of making textbooks available to student Some interesting findings from the study The availability of affordable textbooks to all students could be dramatically improved by devoting an estimated 3 to 4 percent of the primary education budget and 6 to 7 percent of the secondary education budget The production process methods copyright length of print runs effective procurement practices rather than the production costs should be the target of cost saving strategies The increased integration of ICTs into education in SSA can provide important opportunities for promoting availability of electronic TLMs but electronic TLMs are not a substitute for printed TLMs including textbooks **Sainik School Class 6 Guide 2021** Arihant Experts,2019-04-15 AISSEE is probably known as All India Sainik Schools Entrance Exam which is conducted for the admissions for class VI IX in all over India This written entrance exam consist of 2 Papers Paper I consists of Mathematics General Knowledge English while Paper II deals with Intelligence Test The current edition of Sainik School Entrance Examination Class 6 book has been carefully revised according to the latest syllabus This book provides the complete study material for both Paper I and Paper II It also consists of previous years Solved paper and Practice Sets that not only makes acquaintance with new paper pattern but also tracks the level of preparation for the students Packed with comprehensive study resource it will help young boy candidates to prepare best for the upcoming AISSEE TABLE OF CONTENTS Solved Paper 2020 Solved Paper 2019 Solved Paper 2018 Mathematics Intelligence Test English General Science General Knowledge Practice Sets 1 3 CTET Success Master Social Science Paper 2 for Class 6 to 8 for 2021 Exams Arihant Experts,2021-05-26 1 Success Master Study Guides focus in the preparation of CTET teaching Exam 2 This book deals with CTET Mathematics and Science Paper 2 Classes 6 8 3 Divided into 5 main Sections completely prepared on the latest exam pattern 4 Provides Previous years Solved Papers 2 Practice Sets and more than 3000 MCQs are given for thorough practice CTET provides you with an opportunity to make a mark as an educator while teaching in Central Government School Prepared as per National Curriculum Framework here s representing the updated edition of Success Master CTET Social Science Studies Paper II Class VI VIII that serves as a study guide for the candidates who are willing to appear for the exam this year The book provides focused study material dividing the entire syllabus into 5 majors providing the complete coverage With more than 3000 MCQs are provided for the quick revision of the concepts Chapterwise coverage of the previous Years questions along with the Trend Analysis help aspirants for better preparation Lastly Solved Paper 2021 2 Practice Sets are given leaving no stones untouched Preparation done from this book proves to be highly useful for CTET Paper 1 in achieving good rank in the exam TOC Solved Paper 2021 January Solved Paper 2019 December Solved Paper 2019 July Solved Paper 2018 December Solved Paper 2016 Child Development and Pedagogy English Language and Pedagogy Hindi Bhasha evm Shiksha shastra Social Science Studies and Pedagogy Pedagogy Practice Sets **GO TO UGC NET**
