Kennedy, 2011-12 Before Jesus left his disciples he gave them the famous commission to Go therefore and make disciples of all nations baptizing them in the name of the Father and of the Son and of the Holy Spirit and teaching them to obey everything that I've commanded you Mt 28 19-20 The commission actually reveals a unique characteristic of Matthew's Gospel it was designed to be a training manual for the Matthean community of disciples Matthew's Gospel was structured along five major discourses on discipleship Ch's 5 7 10 13 18 24 25 In addition to these formalized sermons the gospel contains numerous situational teaching moments Thus future disciples are expected to assimilate the entire spectrum of Jesus teaching content found in both His preaching and practice The disciple of Jesus should know who Jesus is what Jesus has to say and what Jesus did Knowing who he is will inspire faith in him Knowing what he commands will guide the disciple in obedience and knowing what the Master does will provide a pattern to follow These three lines of inquiry will guide the disciple's development into the image of Jesus The end game in following such a manual is that the believer will be prepared to make disciples of others If this all sounds to you like a pretty tall order well then you're right It is a demanding journey Welcome to The Matthew Journey This study guide follows the course taught at Eastpoint Church in Spokane Valley WA It is designed to be a thirteen week discipleship mentoring curriculum for committed disciples **The Eucharistic Spirit** Florian M. admission and progress in Holy Ghost School So we commend the messages to you with hope that this new move of God s new wine Ark of Safety will really thrill you and protect you from the future spiritual and physical tsunami that shall be in no distant time in Jesus Holy Name Ephesians 3 6 was God s message given to me at covenant time as a sign of my commission to discipleship training program Study and be blessed Please note that before these messages were delivered the fellowship was trained by the LORD to sing beautiful hymns to praise and exalt His Holy Name which now we also advise you Anna A Ahamefula Bishop

Riddle Of The Scrolls H.E. Del Medico, 2014-06-17 First published in 2007 Reading like a detective thriller involving the highest of stakes this is the story of a discovery that is still to be fully realised one that has split the scholarly community worldwide and which may yet transform our understanding of two of the world s religious faiths The manuscripts known collectively as the Dead Sea Scrolls have been the subject of controversy ever since the discovery of the first texts in a cave in the Judean Desert at Khirbet Qumran in 197 The precise details of this find and the story of what happened to these manuscripts and many others found subsequently on other sites were shrouded in mystery partly because some were uncovered during illegal explorations which destroyed important evidence of provenance and partly because it soon became apparent that the contents of the scrolls themselves were highly sensitive consisting of religious texts many previously unknown Today there are several hundred documents and fragments that are considered Dead Sea Scrolls Del Medico s classic work provides the best and clearest background to the continuing riddle of the scrolls
