Schools Around The World Storytown:

The ISS Directory of International Schools, 2007-2008 International Schools Services, 2007 There Are No Shortcuts Rafe Esquith, 2008-11-19 Year after year Rafe Esquith's fifth grade students excel. They read passionately far above their grade level, tackle algebra and stage Shakespeare so professionally that they often wow the great Shakespearean actor himself Sir Ian McKellen. Yet Esquith teaches at an L.A. innercity school known as the Jungle where few of his students speak English at home and many are from poor or troubled families. What's his winning recipe? A diet of intensive learning mixed with a lot of kindness and fun. His kids attend class from 6:30 A.M. until well after 4:00 P.M. right through most of their vacations. They take field trips to Europe and Yosemite. They play rock and roll. Mediocrity has no place in their classroom. And the results follow them for life as they go on to colleges such as Harvard, Princeton and Stanford. Possessed by a fierce idealism, Esquith works even harder than his students. As an outspoken maverick of public education, his heroes include Huck Finn and Atticus Finch; he admits to significant mistakes and heated fights with administrators and colleagues. We all teachers, parents, citizens have much to learn from his candor and uncompromising vision. *Harcourt School Publishers Storytown HSP*, 2005-12 *List of Books for School Libraries in the State of Wisconsin* Wisconsin. Wisconsin Reading Circles ... Wisconsin. State reading circle board, 1933 The Path to Power Robert A. Caro, 1990-02-17 The Years of Lyndon Johnson is the political biography of our time. No president, no era of American politics has been so intensively and sharply examined at a time when so many prime witnesses to hitherto untold or misinterpreted facets of a life, a career, and a period of history could still be persuaded to speak. The Path to Power Book One reveals in extraordinary detail the genesis of the almost superhuman drive, energy, and urge to power that set LBJ apart. Chronicling the startling early emergence of Johnson's political genius, it follows him from his Texas boyhood through the years of the Depression in the Texas hill country to the triumph of his congressional debut in New Deal Washington to his heartbreaking defeat in his first race for the Senate and his attainment nonetheless of the national power for which he hungered. We see in him from earliest childhood a fierce, unquenchable necessity to be first, to win, to dominate, coupled with a limitless capacity for hard, unceasing labor in the service of his own ambition. Caro shows us the big, gangling, awkward young Lyndon raised in
