Non Traditional Christ Jesus:

The Christians' God Does Not Exist! Yes, He/She Does! Proncell F. Johnson Jr.,2018-02-22 The Christians God Does Not Exist Yes He She Does By Proncell F Johnson Jr Carl Sagan popular astronomer cosmologist astrophysicist and astrobiologist wrote We are Star Stuff which has taken its destiny into its own hands The scientific community basically agrees that everything is made of atoms Proncell F Johnson Jr says that they are all wrong Johnson shows that the material universe along with us mortals is one big illusion for all things are actually incorporeal spiritual the manifestation of the spiritual being we Christians have come to call God He says that the realization of and utilization of this fact will enable one to duplicate for himself the so called miracles of Christ Jesus in degrees thus proving the existence of this God and the non existence of matter Johnson s proof is based upon a law of physics that make it all but impossible to refute as the below reviews confirm *Jewish Jesus Research and its Challenge to Christology Today* Walter Homolka,2016-10-05 Historical Jesus research Jewish or Christian is marked by the search for origins and authenticity The various Quests for the Historical Jesus contributed to a crisis of identity within Western Christianity The result was a move back to the Jewish roots For Jewish scholars it was a means to position Jewry within a dominantly Christian culture As a consequence Jews now feel more at ease to relate to Jesus as a Jew For Walter Homolka the Christian challenge now is to formulate a new Christology between a Christian exclusivism that denies the universality of God and a pluralism that endangers the specificity of the Christian understanding of God and the uniqueness of religious traditions including that of Christianity **Modern Western Christian Theological Understandings of Muslims Since the Second Vatican Council** Mahmut Aydin,2002

Varieties of Religious Invention Patrick Gray,2016 What does it mean to call someone the founder of a religion How have debates about figures such as Jesus Muhammad and Confucius served as proxies for broader cultural theological or political questions The contributors to Varieties of Religious Invention survey the landscape shaped by these questions within the world s major religious traditions **The 2023 Canterbury Preacher's Companion** Catherine Williams,2022-06-30 A longstanding annual favourite continues under its new editorship bringing a wide variety of preaching voices together to offer a resource for preaching at the principal and the second service every Sunday of the coming year plus on principal feast days and seasonal services Ideal for preachers in all churches that use the Revised Common Lectionary it also includes sermons for holy days major saints days and special occasions such as Mothering Sunday harvest rogation and Christmas services If preparation time is short the sermons are complete and can be used as they are but they will also act as a framework for creating your own sermon texts It also includes an introductory essay for preachers all age talks for special occasions hymn suggestions throughout the year an index of topics and names A boon for hard pressed clergy readers and local preachers everywhere **Ethics of Industrial Man** Fred Blum,2024-11-01 How do people actually experience God Jesus Christ the Kingdom and the Church Does this experience affect their awareness of capitalism socialism competition the

relationship of markets to men and their participation in politics Does modern man have an ethical concern First published in 1970 *Ethics of Industrial Man* explores the interrelationship between people's experience of a deeper reality of life their awareness of society and their participation in it It is usually assumed that religion has lost its impact on the daily life of man This is true inasmuch as most people live their working lives divorced from religiously grounded ethics But the author shows that it ceases to be true if we explore the significance of the universal ground in which all religious awareness and every social order is rooted Using intensive interviews in Great Britain and the United States over a number of years the author gives empirical evidence that the ethical impulse is not absent but is thwarted by the absence of bridges between the socio-economic sphere of life and people's ethical awareness Decisive in this connection is the confusion between what is universal and what is historically specific This confusion the author believes underlies the apathy the sense of powerlessness the prevalence of a false consciousness the decline of traditional religious forms It is he concludes the core of the ethical corrosion of our time

Progressive Rock, Religion, and Theology Frank Felice, James F. McGrath, 2024-10-11 *Progressive Rock Religion and Theology* examines progressive rock music's engagement with theology and religion which spans an array of artists and songs from its early days to the present Co-written by a musician and a professor of religious studies this book looks closely not only at lyrics but at the music itself and how the two together serve to foster the exploration of religious and spiritual themes from a wide array of angles Each chapter covers a key song by ELP Yes Genesis Jethro Tull Kansas Rush and Neal Morse as well as tracing the themes from those songs into other works by the same artist and the music of others Readers will get to know music that is familiar to them through an academic lens and will discover that its engagement with theological ideas if not typically informed by study of academic theologians is nonetheless at times both intellectually rigorous and profoundly insightful

Genesis in Japan Thomas Dabbs, 2013-10-01 *Genesis in Japan* rises from a journal of reflections that were collected by the author while teaching the Bible to Japanese university students in Tokyo It relates the diverse responses to the Bible that rebound subtly but forcefully back to the teacher from these students extraordinary

responses in that they are simple pure ordinary and entirely disorienting Teaching and learning the Bible in Japan has led the author to another view of the Bible one that stands in stark contrast with the Bible in the Bible heavy culture that was the author's beginning at a small crossroads in central South Carolina

Esotericism, Mysticism, and the Politics of Transcendence in Modern Asia Soumen Mukherjee, Toshio Akai, 2025-07-15 This invaluable anthology examines histories of esotericism mysticism and occultism in modern Asia understood here as the period roughly stretching from the late nineteenth through the twentieth century and paving eventually the way for the so called New Age The idea of histories in plural has to do with the complexities of their lineages the many pathways through which their affinities encounters and entanglements flowed and or developed during the period under review The contributors hail from different disciplines history literature and religious

studies for instance and in what accounts for a cutting edge of the book provide truly multidisciplinary insights on the subject in one single volume Their select case studies illuminate key aspects of contemporaneous socio religious processes They explicate how aspects of mysticism esotericism and occultism were closely tied to wider socio political and intellectual processes of the period that were at once transregional even global and frequently transcultural and or cosmopolitan in character Postgraduate students research scholars and academics in general working in the fields of religious studies and or Asian religions in modern times will find this collection to be of great interest Direct Internal Quotation in the Gospel of John Jeffrey M. Tripp,2019-08-02 Do the characters in the Gospel of John quote and re quote each other even important sayings of Jesus Jeffrey M Tripp examines this often overlooked feature of the Fourth Gospel in the contexts of first century pedagogy and literature as well as early Christian tradition and practices Pg 4 of cover A Critical Reading of the Development of Raimon Panikkar's Thought on the Trinity Camilia Gangasingh MacPherson,1996 This book traces the Trinitarian thought of Raimon Panikkar in his attempt to bridge the gap between Christianity and the world religions The viewpoints of the early and later Panikkar show continuity and shifts in his Trinitarian theology The early Panikkar provides a Trinitarian theology and reaches the heart of the world religions especially the Advaita Vedanta experience in Hinduism and the Nirvana experience of Buddhism The later Panikkar still using many of the probing concepts of his earlier thought departs significantly from traditional Christian theology His thoughts still continue the attempt at bridge building between Christianity on the one hand and the world religions and even the secular world on the other Although several dimensions of Panikkar s Trinitarian theology are open to severe criticism nevertheless it serves as an effective tool for furthering awareness of and dialogue between the world religions *Gospel Interpretation and Christian Life* Francis J Moloney,2017-11-01 The voice of Francis J Moloney SDB has been heard in New Testament studies for many decades Internationally famous for his work on the Gospel of John this volume gathers studies that demonstrate the breadth and richness of his interests beyond that well established enterprise The first part of the book is dedicated to Gospel studies with the majority of essays focussing upon the Gospel of Mark They reflect his long interest and his major commentary on that Gospel 2012 Studies on Matthew Luke and John complete these reflections *Mark* Robert H. Gundry,2000-05 This monumental work presents a careful well argued alternative reading of the Greek text of Mark a reading that pays special attention to such literary devices as word order chiasm inclusio asyndeton and the historical present tense Driving the commentary is Gundry s provocative seldom defended thesis that Mark s Gospel constitutes a straightforward apology for the shameful manner of Jesus death as such Mark is essentially an evangelistic tract rather than an obliquely written handbook of Christian discipleship and church life Sure to become recognized as the heavyweight English commentary on the Gospel of Mark This massive commentary rich with exegetical detail and critical assessment of the secondary literature makes an important contribution not only to Markan research but also to the study of the historical Jesus Christian Scholars Review

Dyrness, Veli-Matti Kärkkäinen, 2009-10-25 Theological dictionaries are foundational to any theological library But until now there has been no Global Dictionary of Theology a theological dictionary that presumes the contribution of the Western tradition but moves beyond it to embrace and explore a full range of global expressions of theology The Global Dictionary of Theology is inspired by the shift of the center of Christianity from the West to the Global South But it also reflects the increase in two way traffic between these two sectors as well as the global awareness that has permeated popular culture to an unprecedented degree The editorial perspective of the Global Dictionary of Theology is an ecumenical evangelicalism that is receptive to discovering new facets of truth through listening and conversation on a global scale Thus a distinctive feature of the Global Dictionary of Theology is its conversational approach Contributors have been called on to write in the spirit of engaging in a larger theological conversation in which alternative views are expected and invited William A Dyrness Veli Matti Kärkkäinen Juan F Martinez and Simon Chan edit approximately 250 articles written by over 100 contributors representing the global spectrum of theological perspectives Pastors theological teachers theological students and lay Christian leaders will all find the Global Dictionary of Theology to be a resource that unfolds new dimensions and reveals new panoramas of theological perspective and inquiry Here is a new launching point for doing theology in today's global context Christology from the Margins Thomas Bohache, 2008
